ISIS FIGHTER CAUGHT SHAGGING GOAT

By BRAD CHADWICK
news@sundaysport.co.uk

HARDENED Yank military drone operators VOMITED with disgust after one of their high-tech spy-in-the-sky planes spotted an ISIS fighter shagging a GOAT!

Footage of the outrage, filmed in central Iraq, leaked onto the internet last week.

It's believed the film may have been deliberately leaked by the CIA to discredit the fundamentalist loons who are fighting for a mediaeval "caliphate" across the Middle East.

The video, which displays humans and animals in black due to their heat signature, shows an unusual looking black blob.

As the operator uses space-age image intensification software the footage shows a fighter banging the goat from behind.

After finishing, the bearded loon uncouples from the goat and the distraught nanny scampers away.

A U.S. military source said: "It's this kind of thing we're fighting against. Thankfully, we had a Hellfire missile on the drone so we blasted that goat-f**king bastard to smithereens."

Meanwhile, U.S. President Barack Obama has said he will not allow jihadists to carve out a "caliphate" straddling Syria and Iraq.

On Friday, the Yanks began launching air strikes on fighters of the Islamic State of Iraq and Syria (ISIS) in northern Iraq.

Mr Obama said there would be further air strikes if necessary but no U.S. military operation on the ground. The UK has sent a plane to join the relief operation on Mt Sinjar, where thousands of the Yazidi religious minority are stranded. A cargo plane left RAF Brize Norton yesterday with humanitarian aid.

ISIS has taken control of swathes of northern and western Iraq, and recently seized Mosul dam. As well as threatening Yazidis and Christians, the group is confronting Kurdish forces and threatening the city of Irbil.

U.S. fighters jets carried out two waves of air strikes west of Irbil – the first since they left in 2011.

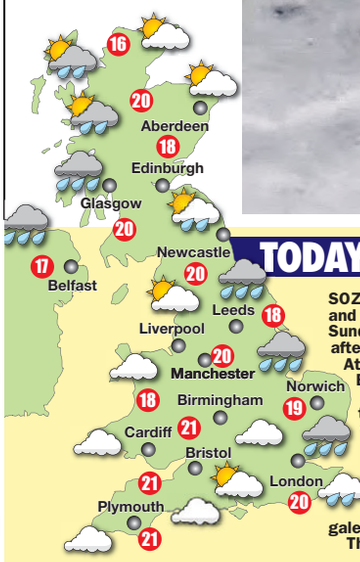
TODAY'S WEATHER



SOZ, but it'll be wet and windy for many on Sunday thanks to the after-effects of the Atlantic storm, Big Bertha.

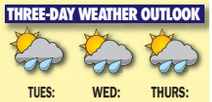
Rain will continue to move northwards, with further heavy bursts likely, becoming very windy across southern then eastern parts, with gales in places.

The south east will be warmest at 19C in the afternoon but cooler elsewhere.

Bright and very breezy on Monday and Tuesday, with sunny spells and scattered showers, heavy at times.

OUTLOOK: Autumnal.

THREE-DAY WEATHER OUTLOOK



TUES: Galloshes | WED: Brollies | THURS: Sou'wester

Goodluck with that, Jonathan

NIGERIAN President Goodluck Jonathan has declared the outbreak of Ebola "a national emergency" and approved more than £6.5m to help contain it.

The move comes as the World Health Organization said the spread of the virus in West Africa was an international health emergency, with the total number of cases standing at 1,779 and 961 deaths.

Marchers back Gaza militants

THOUSANDS marched in London yesterday to support Palestinians in Gaza.

The Stop the War coalition demo came amid renewed violence between Israel and Hamas militants after a three-day ceasefire ended on Friday.

Some 20,000 people were thought to be involved in the march, which went past the U.S. embassy.

Helen's in-sure got her natural boobs covered

BOOBY beauty Helen Flanagan has revealed she was considering INSURING her all-natural 32E norks!

In a recent interview, the ex-*Coronation Street* star (above), 24, said she was willing to invest cash into the curves which have made her a lads' mag favourite since leaving the ITV soap in 2012.

Speaking of her buxom breasts she said: "I didn't even know you could insure them! Can you do that?! Maybe I should!

"I once joked that I had 'the best boobs ever!', but I regret saying that, it was so embarrassing because everyone must have thought I was really big-headed."

The bra-buster also strongly hinted that she BONKS footballer boyfriend Scott Sinclair, 25, daily

When quizzed about her sexcapades with the Manchester City winger, Helen blurted: "How often should people be having sex? I suppose if you're in a loving relationship, then every day! I have a pretty high sex drive!"

'Bonking RiRi' sex tape a virus

Hacking experts have revealed the *clickbait* link promising web users an uncensored video of the 26-year-old (*above*) shagging an unidentified male in fact leads to a malicious website.

The malware scam threatens to steal user's personal data and disrupt their computers or smartphones.

Other social media scams include one that promises to reveal to web users the number of people who viewed their Facebook or Twitter profiles.

Antivirus company Bitdefender also revealed another sex tape scam involving country star Taylor Swift.

A tech expert said: "The reason this scam works is simple: human nature."

TV chiefs sign world's biggest CELEBRITY BIG BOOBER

By JUSTIN DUNN
justin@sundaysport.co.uk

THE world's biggest boobs are preparing to make an entrance into the *Celebrity Big Brother* house.

Sources say nude model Beshine–aka mega-breasted German model Mayra Hills – has signed up for the latest series of the 24-hour fly-on-the-wall show.

The 31-year-old sports an eye-popping pair of knockers that measure in at a blouse-busting 32Z – equivalent to a XXXX cup!

And the massive mammaries are set to shake up the new series of *CBB*, which begins on Monday, August 18 – three days after the end of the regular series.

Other rumoured CBB housemates include controversial journalist Julie Burchill, *TOWIE*'s Lauren Goodger, Hollywood actor Gary Busey and Katie Price's cheating husband Kieran Hayler.

They could be joined by ex-Corrie babe Helen Flanagan, *Gogglebox* star George Gilbey, White Dee from *Benefits Street* and cross-dressing Eurovision winner Conchita Wurst.

There are also strong rumours that *CBB* – hosted by Emma Willis and Rylan Clark – could be graced by the presence of singer Ronan Keating and pregnant wannabe glamour girl Josie Cunningham.

Beshine, from Hamburg, admits that her colossal chesticles can cause problems finding clothes and trying to sleep – but insists she wouldn't have it any other way.

The blonde – who was a tiny A cup before she began her boob implant odyssey – said: "I'm not a person who wants or needs to be in the media. I'm trying to live a relaxed and peaceful life.

"I also never went out for a 'biggest boobs' title like that. It just happened. I just wanted to have bigger and bigger boobs and the boobie greed monster in never stopped being greedy and hungry!

"So sometime when I reached a certain size, fans from all around the world started telling me that I have the largest augmented boobs.

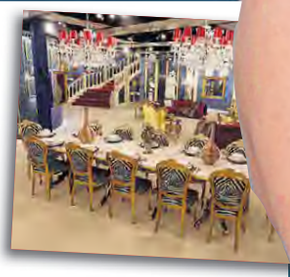
"That's cool and sounds interesting, and it seems that I have reached a milestone.

"At the moment I have no limit in how big I want to get, but I will let you know when I have reached my goal!

"I cannot hide it. I don't want to. I attract attention.

"Sometimes you hear a giggle, or just staring, sometimes negative comments. Often women hate me!"

On sleeping, Beshine said: "I like to sleep braless because my boobs need a lot of space and so they can move how they want. Sometimes they have a mind of their own.



Elastic

"Sleeping on my stomach is no longer possible, or on my back because of the weight. So sleeping a bit sideways is comfortable.

"With clothes it's not easy either, but those who seek will find! Tops must either be very big and wide, or narrow and very elastic.

"Pants and other bottoms I buy in ordinary shops, but my bras are custom-made by a tailor.

"It happens from time to time that my bras crash when I'm at the gym doing exercises.

"Sometimes, even wearing three bras at one time doesn't help. So it's important to me that I always have a replacement bra with me, no matter where I go or what I do!"

PITY poor old Brian Austin, the hubby of actress Megan Fox.

He might be married to the world's hottest woman, but Megan has revealed he hardly EVER gets to bonk her.

Teenage Mutant Ninja Turtles babe Megan (*above*), 28, revealed that it's her young son Noah, aged two, who ruins their shagging exploits.

She added: "Brian doesn't get any intimacy whatsoever.

"My son sleeps in bed with us, so there's really no way."

It's not the first time Megan has downplayed her reputation as a maneater – she recently admitted she's a reluctant sex symbol.

She added: "I felt powerless in that image. I didn't feel powerful. It ate every other part of my personality, not for me but for how people saw me, because there was nothing else to see or know.

"That devalued me. I wasn't anything. I was an image. I was a picture. I was a pose."

I ASKED my friend how come his sofa was covered in burnt patches. He said his dog's been molten.

Knickers to kinky ghost

A WOMAN called in a ghostbuster after a pervy poltergeist kept stealing her KNICKERS.

Terrified Pauline Hickson moved house seven times in two years but claims the saucy spirit has followed her, hiding her pants and bras.

But now, Pauline, from Hull, East Yorks, has banished the ghost for good with exorcism.

Pauline, 58, said: "I thought I was going crazy. I'd come home from work and all my things would have been rifled through. My underwear was going missing and someone had been in my shower.

Ghostbuster Steve Kneeshaw reported seeing a large man and a boy fly past him when he performed the rite.

Since then, Pauline has not experienced a hint of paranormal activity. She suspects the ghosts are linked with an old dressing table she'd bought.

THE VOICE OF YOUR BRITAIN

Bum blow makes ass of science

SCIENCE has given us many wonderful gifts. The unlimited power of the atom. The swiftness of the jet engine. The awesome thrust of the space rocket.

But it is a failing of humankind that we strive to abuse every advance and twist every innovation to the service of wickedness.

Take the simple Mentos-in-Diet Coke experiment.

Dull chemistry lessons worldwide have been enlivened by dropping a Mentos mint into a bottle of the popular soft drink and producing an elegant fountain.

Even this innocent delight has been sullied by vile Gavin Hooper.

By attempting to squirt a direct a jet of Diet Coke into his ARSE, Hooper did not just threaten the lower reaches of his digestive tract.

He also threatened scientific progress itself.

How many youngsters would have seen Hooper's antics and thought: "If this is science, I want no part of it"?

We should shun those who abuse science – especially those who abuse it with their own grotty arses.

Spy camera pervert put his foot in it

A BUNGLING pervert who set up a spy camera to film a teenage girl and her mother in the shower was caught when he put his foot through the ceiling as he watched, a court heard.

Peeping Tom John Boobyer, 60, rigged up the hidden device in the bathroom of a woman he fancied after fixing a new light.

He recorded for four months until April last year when the mother noticed the shower curtain had been moved and a hole contained the camera.

Boobyer was in the loft at the time and in panic at being caught put his foot through the woman's ceiling.

She called police who arrested him and found a number of indecent images, he had labelled 'EX' for explicit.

Boobyer (*above*) admitted voyeurism and four counts of making an indecent image of a child, telling Taunton Crown Court, Somerset: "I'd fancied her for years and had the hots for her. So I thought it would be nice to see what she looked like."

The Woolavington man got a three-year community order, a sexual offences prevention order for five years and must sign the sex offenders' register.

Councils warn on legal high

PRODNOSE councils have issued a "health warning" over laughing gas in the latest pathetic public health panic.

The Local Government Association (LGA), which represents about 400 councils, issued the health warning and said councils were seizing large hauls of laughing gas, which busybodies have taken to calling a "drug".

Last night, taxpayers were wondering why councils – the people we pay vast sums to empty bins and clean up dogshit – were confiscating something that is perfectly legal.

The gas is inhaled by users in a balloon. The LGA estimates that about 500,000 young people frequently take nitrous oxide. So far there have not been any reports of piles of corpses.

Katie Hall, of the LGA's 'community wellbeing board', tromboned: "It is deeply disturbing that this drug, which can be highly dangerous, is still widely viewed as safe.

"It is imperative users understand just how harmful it can be. This gas can kill. More needs to be done to get this message across."

SUNBLOCK PRANK BRANDED ME A PAEDO!

PAEDOH-NO: Mike fears a kicking after pals' prank on holiday

Holiday pals struck while poor Mike slept

A TERRIFIED holidaymaker fears a lynch mob beating after a sun cream prank left the word 'Paedo' on his sunburned forehead.

Hapless Mike Harding had been enjoying a long weekend in Zante, Greece, for a pal's stag do when he fell asleep on a pool lounger.

While he dozed, hungover, tittering friends tagged him with an horrific sun block moniker.

Now Mike, from York, has been left virtually housebound until his tan fades.

To make matters worse for the tearful singleton, he's also been suspended from his job as a bus driver for fear he'll offend passengers.

Nervous Mike, 38, told *Sunday Sport*: "When I woke up next to the pool I could see everyone looking at me and I knew something was wrong.

"I ran up to the room and looked in the mirror – and almost collapsed on the floor.

"My mates find it hilarious, but I'm not laughing. I despise nonces, and cried reading about Jimmy Savile, but now it's like I've been tarred with the same brush.

"Some people will see it and think, 'It might be a joke but there's no smoke without fire'. But I swear to God, I'm not a kiddy-fiddler.

"I've avoided leaving the house in case I get lynched by chavs. And the sunburn on my face is so bad I can't even disguise it with make-up.

"I had to wear a beanie hat in Zante – which almost gave me heatstroke, by the way – and since landing back in Britain I wear a baseball cap and hoodie. I can't take any risks until my skin grows back."

Mike's friend and soon-to-be-married stag Darren Peagram, 36, added: "We do feel a bit bad about what we did to him, but he's still not coming to the wedding. My old nan would pobably have a heart attack!"

FURIOUS DENIAL: Lauren Goodger

LAUREN: I DID NOT LEAK MY BJ VID!

TOWIE babe strikes back over sex tape claims

FUMING Lauren Goodger has hit back at Twitter trolls who claim SHE leaked her own sex tape.

An X-rated clip showing reality show babe Lauren pleasuring ex-boyfriend Jake McLean with her mouth surfaced online last week.

And while some, including *Apprentice* runner-up stunna Luisa Zissman, have accused Lauren of masterminding the entire thing, she's furiously denied the suggestion. Luisa tweeted: "But some things are better left private, leaking one yourself is.... I can't even tweet it #theshame."

Lauren, 27, said: "Twitter trolls have accused me of leaking my own sex tape, and Luisa Zissman was quick to jump on the bandwagon.

"I don't understand why. I've only met her once.

Grumble

"And then last week she tweeted to say she thought I'd leaked it myself. Funnily enough she has unfollowed me since slagging me off!" Lauren says she's only agreed to speak about the DIY grumble vid to stop others make false claims against her.

She added: "I wanted to get in there first before anyone else had the chance to say anything."

'Ebola' flight turns back over maggot in hold scare

A FLIGHT from Brussels to Stockholm was forced to turn around after MAGGOTS fell out of the hold!

Officials at the Swedish airport – on high alert over ebola – refused to unload the luggage and sent it back to Belgium for decontamination.

The operator of the flight, Brussels Airlines, reported the infestation was down to just one passenger, thought to have flown into Brussels from Africa, who had packed rotten food in their bags.

It is unclear whether the food was bushmeat – the flesh of wild animals like monkeys and bats, which can be responsible for carrying ebola to humans.

Passengers were told when at Stockholm's Bromma airport that their luggage had been sent back to Brussels.

Willy Silberstein, a 60-year-old journalist on the flight said: "When they opened the baggage area, maggots spilled out.

"In these times of ebola, it's understandable they have to be careful. But it's unusual."

Park runner stark naked

A JOGGER was nicked after being caught running around a park with his WEDDING TACKLE on full display.

Francisco Dias was collared by cops after fellow fitness fanatics reported him when they spotted him running stark naked around a packed King Edward Park in Wembley, north London, on July 14.

The 47-year-old, of Wembley, was arrested and hauled up fully clothed before Hendon JPs last week where he was convicted of indecent exposure.

He was given a conditional discharge and fined £150.

THE younger sister of Princess Kate has finally proved she is MORE than just a world-beating arse.

She's also got an eye-wateringly lovely pair of knockers, too!

The 30-year-old socialite and newspaper columnist was snapped in Turkey where she was swimming across the Bosphorus strait between Europe and Asia.

Good-hearted Pippa was taking part in the event to raise money for the British Heart Foundation.

And that's highly appropriate, because many tickers started fluttering wildly when they spotted that the not-quite-Royal was sporting PERKY nips.

One local who witnessed the scene in Istanbul slavered: "Lovely lady, yes?

"My brother-in-law – he also have lovely ladies in his bar. Clean, yes. No scream. Yes?"

BIKE £10K

By SIMON DEAN
simon@sundaysport.co.uk

A SELF-CONFESSED bike seat-sniffer has bid a staggering £10,000 to get a snort of Pippa Middleton's saddle.

Oddball Clinton Dennison, who has a long record of inhaling arse vapours from women's bike seats, reckons getting his snotter "practically up Pippa's bum" would be the high point of his career.

Dennison, 33, spotted an ad for Pippa's Dassi Aero 6.2 road bike on the internet auction site eBay and immediately put in a bid.

The former water treatment worker from Balham, south London, explained: "Luckily enough, an aunt died recently and she left me a small inheritance. Enough to bid £10,000 for Pippa's bike.

"Of course, the only part I want is the saddle, but I made enquiries. The seat on its own was not for sale.

"I don't mind though. Pippa Middleton's bike seat is the Holy Grail of snurging (the technical name for bike seat-sniffing).

"With a little imagination I think that it will be like being practically up Pippa's bum. Coo!"

Furious

Dennison, who is unmarried, last hit the headlines in 2012 when he was sensationally cleared of a bike seat-sniffing incident at a municipal cycle shed near his home.

Magistrates agreed with his lawyer's argument that as no sexual motive had been proved and the bike's owner had not witnessed the snurging, no offence had been committed.

The case drew a furious response from feminist cyclists at the time. Jo Prendergast, chair of women's bike club Menstrual Cycle, raged: "Once again the Establishment has sidestepped the real issue that bicycle seat-sniffing leads to all manner of anti-woman crimes.

"One day it's sniffing a bike seat, the next it's glancing at bottoms or saying 'hello' to women in the street."

Dennison remains unrepentant about his urge to snurge.

He told newsmen: "If I see a bicycle seat,

Churchman arrested on dog sex rap

A BAPTIST minister has been arrested after trying to arrange sex with a DOG on an online classified ads site.

Jerald 'Jerry' Hill (*above*) was arrested for attempted unlawful sex with an animal and attempted animal abuse.

The probe started with a Craigslist ad seeking two types of animals – one was a dog, while police declined to comment on the other on the grounds that it was "too upsetting" to reveal.

Investigators responded to the ad by offering up a dog for sex, and Hill, 56 – minister at the Windermere Baptist Conference Centre in Boone County, Missouri – was arrested when he showed up to meet them.

His superior said: "We are concerned for the wellbeing of Jerry... and the wellbeing of Windermere.

"Windermere will continue to function in a good way. It is a significant piece of God's kingdom's work."

Clive Denton, 85, who wrote the book about his own life, was enjoying his daily walk when he was struck by the oak tree bough.

The pensioner, described as an eternal optimist, tragically died on arrival at Southampton General Hospital, Hants.

Southampton and New Forest coroner Grahame Short opened and adjourned an inquest into Clive's death while a post-mortem to establish a cause of death has been requested.

You have to give credit where it's due, though. With the guidance of "the management" some of the cast have really built themselves an empire.

Gaz has his own clothes shop, a bar in Zante and a gym supplement range.

My fave girl and close friend, Holly Hagan, has a successful clothing range under her belt (excuse the pun) and is now set to top the charts with her clubland version of the Kelis hit, *Milkshake*. I reckon it will be the surprise hit of the summer!

Holly CAN sing and let's face it, she defo has tits big enough to feed all you lads milkshake! Well done Holly, it's a cracker!

SPEAKING of tits, one of the biggest to ever grace our television screens has really hit an all time low this week.

Ex-*Xtra Factor* presenter Caroline Flack has revealed a new tattoo of a butterfly on her back. It's creepily similar to that of ex-boyfriend, the youngster Harry Styles.

I understand Harry is an attractive lad and apparently a brilliant shag but I think Caroline needs to move on, get a grip of herself and find another teenager to get her cougar claws into.

You've been separated for ages now Cazza love, come on!!

This is simply embarrassing.

BIG Brother **has been usually boring this week. I can't wait for this series to be over – it's really dragged.**

I was going to write about it each week but how can I write about the same crap week in, week out?

Helen is still a vindictive bully with a voice like a bricklayer who smokes 120 cigs a day, Ash still hasn't spoken, Ashleigh still hasn't learnt English and Winston is still pretending to be the new Joey Essex. For God's sake Channel 5, pull the plug!

RUMOURS are flying round that Helen has already planned a *TOWIE* style show, set in Manchester, which Channel 5 is set to commission.

I'm sure the people at that channel seem to forget this woman's been called a home-wrecking hooker with the morals of a yard dog!

Why are they giving her this airtime?

I am currently planning to sleep with Trevor McDonald behind his wife's back in hope that Helen will give me a cameo.

Sunday Sport OUT SPACE

By SIMON DEAN simon@sundaysport.co.uk

ASTRO-BOFFINS are amazed after spotting what looks like a PYRAMID on a comet 250million miles from the earth.

Scientists from the European Space Agency were elated last week when their Rosetta space craft caught up with comet 67P/Churyumov-Gerasimenko after a 10-year voyage of four billion miles.

Rosetta is now in orbit around the interplanetary snowball, photographing the comet from every angle – while travelling through space at 34,000mph.

But one of the probe's snaps – not released to the general public – shows the unmistakable shape of a pyramid with its base sited on a relatively flat part of the three-mile-long comet.

One source at mission control near Darmstadt, Germany, said: "The pictures of Churyumov-Gerasimenko are the best and closest we have ever had of a comet.

"You can see almost every grain of space dust, it's extraordinary. So imagine our surprise when we saw what looked like a pyramid, like those in Egypt.

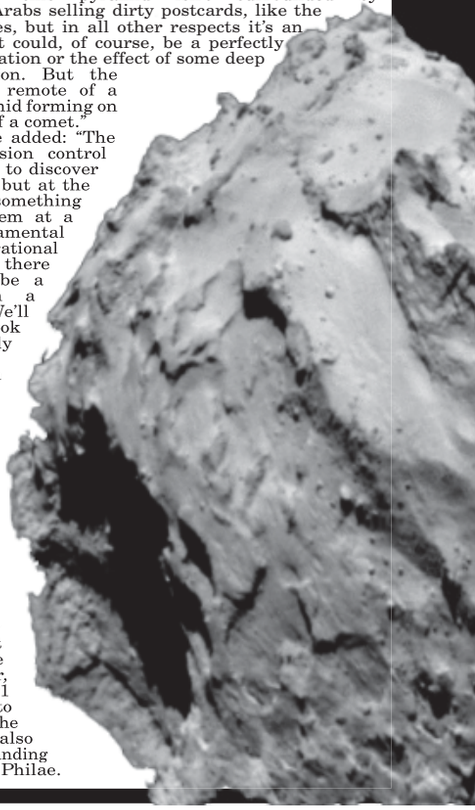
"Obviously this pyramid isn't surrounded by camels and Arabs selling dirty postcards, like the Egyptian ones, but in all other respects it's an exact copy. It could, of course, be a perfectly natural formation or the effect of some deep space collision. But the chances are remote of a perfect pyramid forming on the surface of a comet."

Our source added: "The lads at mission control were thrilled to discover the pyramid but at the same time, something unsettled them at a very fundamental level. By any rational measure, there should not be a pyramid on a comet. We'll have to look more closely into this."

Research by Rosetta may help uncover the secrets to life.

Previous missions have been brief fly-bys to gather data or collect samples.

Rosetta, however, will fly around comet 67P for more than a year, using its 21 instruments to collect data. The probe will also drop a small landing craft, named Philae.



OF THIS WORLD EXCLUSIVE

PROBE FINDS 'PYRAMID' ON COMET

Boffins 'thrilled but unsettled' by discovery

So what is it?

Theory 1

THE most likely reason behind the pyramid is that a freak alignment of sunshine and shadow have created what looks like a pyramid from the angle at which Rosetta took the snap.

This has happened before in space travel.

In 1976 the Viking probe photographed the so-called Face on Mars feature in the Red Planet's Cydonia region.

Some thought it was evidence of a lost Martian civilisation. But it was just shadow.

Theory 2

WHILE the scientists of the European Space Agency may look like nerdy eggheads who have never played a prank in their lives, the curly-haired virgins do actually have a well-developed sense of humour. The "pyramid" may just be a prank played by a junior scientist and his pals skylarking with space-age image manipulation software. It's been done before.

In 1997 ESA boffins projected a snap of then-French President Jacques Chirac's ARSE on the Moon. The ringleader was later found dead – possibly murdered by the French secret service.

Theory 3

THE most fanciful explanation is that the pyramid is evidence of an intelligent civilisation somehow building a monumental structure on the surface of a comet. Scientists are obviously sceptical. To build a pyramid on a comet and make good would be phenomenally expensive and hugely difficult – certainly beyond the range of our current engineering capabilities.

One scientist said: "There would be no reason to build a pyramid on a comet."

One image shows the pretty brunette, who boasts distinctive pierced nipples, posing with three lit CANDLES inserted up her bottom.

Others show the beauty – who used the porn alias 'Adeline Lafouine' – sitting legs spread before a mirror.

In a press release, the government confirmed that the woman was a staff member, and that she had been suspended.

It's unclear at this point whether parliament services in Berne, Switzerland, intend to fire her.

The Swiss Federal Personnel Office recommends employees only post images on the Internet "that you would at any time show colleagues, employees or superiors."

TWO INBETWEENERS EXCLUSIVES

Will's new babe TOPLESS

BIT OF ALL WHITE QUEEN: Emily shows off cracking rack on TV

If YOU'RE reading this on public transport, don't be tempted to be a 'bus wanker'.

Because the sexy star of the new *Inbetweeners* movie could well give you the urge to touch yourself.

Brit babe Emily Berrington plays the love interest of character Will in the flick, released this week, as the E4 boys run riot across Australia during their gap year.

And Will's trademark glasses will be steaming-up looking at these snaps of Emily, 27, displaying her clunge-tastic assets.

The beauty bared all in last year's BBC telly series *The White Queen*.

By JOHN FITZPATRICK
fitzy@sundaysport.co.uk

Emily, who also starred in Sky 1 drama *24: Live Another Day*, says she's not shy about getting her puppies out, adding: "With *The White Queen*, I thought about it incredibly hard at the time. But until you've done it you have no idea what it will feel like afterwards.

"I have no regrets about doing it, but it's definitely informed further choices. Not everybody is forcing you to try and take your top off."

...and here's his mum's boobs!

INBETWEENERS **nerd Will is gonna need a pair of wellies, because he's wading knee deep in clunge!**

Not only is his new girlfriend a secret topless shagger, his on-screen MUM is too! Busty lovely Belinda Stewart-Wilson, 43, plays posh MILF Polly MacKenzie in the show, and appears in the new movie, too.

In it she's seen attempting to video message her son, played by actor Simon Bird, 29, while he's away Down Under.

But Will – and his pals Neil, Jay and Simon – get the shock of their lives when her webcam slips down to focus on her massive RACK, instead of her face.

Belinda's revealed her enormous charms before. She got 'em out in 2011 movie *All That Way For Love*.

BOOBED: Cam's digital comms staff

No10 likes Tits Daily

DOWNING Street's official Twitter profile is following *I Like Tits Daily*, the "number one account for hotties with nice boobs" among other odd accounts.

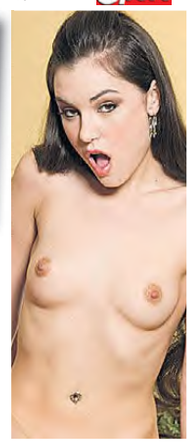
The Number 10 Twitter account, named *UK Prime Minister*, is managed by the digital communications team in David Cameron's office. Among the expected charities, papers and politicians, unusual accounts are among the 366,000 profiles followed.

As well as *@ILikeTits-Daily*, there is also a plus size model claiming to be from "OUTER SPACE", a wedding poems account, a Yank bikers' meet-up group and a forklift company.

Number 10's online social media policy stresses following a Twitter account "doesn't imply any kind of endorsement".

A spokesman blamed old Twitter software, saying: "Prior to 2010, an auto-follow process was used, meaning *@Number-10gov* automatically followed anyone who followed the account.

"We have taken steps to un-follow as many as possible that are inactive, spam or just inappropriate."



Porno star Sasha: Size does not bother me!

SASHA Grey, one of the world's filthiest porn stars, has given fellas some valuable sex tips: "Size doesn't matter – it's all about what you do with it!"

The retired bongo babe (*above*), who starred in a staggering 270 X-rated sex films in just three years, reckons she is more than qualified to dish out SHAGGING advice.

And the sizzling 26-year-old insists that men need to work on their thrusting technique and stop worrying about the length and girth of their love muscles.

She said: "Your cock doesn't have to be big, but it definitely has to be hard and operated by someone with a license to drive.

"There's no point banging hard on the accelerator if you don't know how to apply the brakes, turn the wheel, or shift gears.

"And that gear stick? If you want to put it in my box, you'd better know how to use it!"

Sasha gave up the grot in 2011 after she announced her career as a sex starlet had "expired".

FEAST YOUR EYES ON OUR JOEY'S SCRUMMY BOOBS

JUICY Joey Fisher is obsessed with checking out other girls who have big boobs.

Luckily for her, it's rare that she claps eyes on anyone with a rack that tops her own 34Hs.

Joey, 20, from Cardiff, said: "Whenever I'm on holiday I like to check out the hot girls on the beach. I admire the female form.

By JUSTIN DUNN
justin@sundaysport.co.uk

"Having a holiday is great because you're surrounded by men and women wearing next to nothing.

"That means I can spend two weeks permanently turned on, especially when you see all that bare flesh glistening in the sun.

"Sunshine makes everyone randy. It's a mixture of the lack of clothes and the energy you get from the sun's rays.

"This summer I've been in the park checking out all my fellow sunbathers while barely-dressed myself!"

PIN-UP OF THE WEEK

Classroom not public, w*nker will claim

A TEACHER accused of masturbating in his classroom will argue the charge should be thrown out because the incident did not happen in a "public place".

The man, whose name is being witheld for legal reasons, appeared in court on a charge of "wilfully doing an indecent act in a public place" in June last year.

His lawyer Richard Earwaker indicated he would argue that a classroom did not fit that criteria.

At the time of the incident the defendant had been teaching at the prestigious school for over a decade. He was suspended and resigned a month later.

The case will hinge around evidence of two schoolboy and other witnesses will include police officers who "re-enacted" the incident.

A date will be set for the judge-alone trial later this month.

Boom Boom tug terror!

A PERVERT was arrested after masturbating in public and chasing terrified victims through the streets yelling "BOOM BOOM!"

Ezekiel Emmanuel Lane was wearing only pyjama bottoms when cops caught up with him. When they confronted him, he kept repeating: "You like it, boom, boom, you like it."

He has been charged with open lewdness, disorderly conduct and public drunkenness.

Police said 28-year-old Lane removed his clothes and continued masturbating even after placed in a jail cell in Allentown, Pennsylvania.

After urinating over his cell and attempting to touch another officer he was shackled and 'cuffed.

Curvy Carm getting 'em out again!

BAYWATCH babe Carmen Electra has blown the lid off her return to TOPLESS modelling, telling fans: "I would love to do it!"

The Yank actress started her career posing NAKED for *Playboy* magazine before replacing Pamela Anderson as the lead female in the hit NBC beach drama in 1997.

But now the saucy *Scary Movie* star reckons that her next step

involves baring her 36DD BOOBS – in a sensational comeback shoot!

Carmen, who also went naked in the 1999 movie *Mating Habits of the Earthbound Human (below)*, said: "I would definitely do *Playboy* again at my age.

"I love that magazine – it's always been a huge part of my career and my life.

"If you look at the past of *Playboy* – you know you've got Marilyn Monroe on the first cover – there's so much history.

"I would absolutely do it again."

Public call for the guillotine

AN UNDER-FIRE crime tsar asked the public what punishment they thought should be meted out to criminals instead of prison – and got the reply THE GUILLOTINE!

Anne Barnes, the Police and Crime Commissioner for Kent, hit the headlines after appearing on Channel 4's *Meet The Commissioner*.

She faced calls to quit after admitting on the show she had no idea of the priority of crimes her officers were investigating and saying there was no job description for her £85,000-a-year role.

Last week, Mrs Barnes asked for ideas for 'community remedies' for 'low level offenders' rather than court appearances and jail.

Locals poked fun at the 'consultation', and said the 'best solution' is the death penalty, with many favouring the French method of decapitation.

BOG-BLOCKING HITLER GERBIL FLOODS VILLAGE

A RACIST rodent fan who flushed his dead gerbil down the toilet with full Nazi honours caused a sewer blockage which flooded an idyllic village.

Bigot Dave Pemberton, 62, bought the demi-rat from a local pet shop after noticing it sported a black moustache like his idol, Adolf Hitler.

He named the gerbil "Fuhrer" in honour of the controversial German statesman and took the beast to neo-Nazi meetings to show off to fellow Holocaust deniers.

But, like his namesake, Fuhrer met a tragic death and a distraught

By SIMON DEAN
simon@sundaysport.co.uk

Pemberton flushed his fluffy corpse down the bog in a torchlit ceremony last weekend.

He said last night: "I had a tear in my eye when I said goodbye to Fuhrer, but we learn as good Nazis to steel our hearts and honour our martyrs, rather than grieve."

But the gerbil's body caused a blockage in the waste pipes under Pemberton's house. And after a flash flood on Wednesday night, the village of Garton, Staffs, was submerged.

FLOODY HELL: Pemberton *(inset)* put lovely Garton under water

Parish council clerk Valerie Dobbs raged: "We've tolerated Mr Pemberton's Nazi-themed antics for years, but flooding the village is an outrage."

Pemberton, who is now being investigated by water authorities, denied any responsibility for the flood, darkly blaming "Zionist forces".

Buff and Tumble!

FORGET uneven bars, it's a wonky BRA that telly gymnast Sarah Harding has got to worry about.

The blonde Girls Aloud crooner, 32, was on the box last night starring in new BBC reality show *Tumble*, as a load of celebs take to the floor in skimpy leotards.

And if this saucy wardrobe malfunction is anything to go by, Sarah could be scoring extra points for bonus BOOB flashes.

Even Sarah's close pal Cheryl Fernandez-Versini – aka Cheryl Cole – says her mate is forever falling out of her top.

She laughed: "There's always something going on – a wardrobe malfunction." Joining Sarah on *Tumble* is Sugababe Amelle Berrabah, TV presenter Andrea McLean and former *Dynasty* minx Emma Samms.

NEW CRAZE FOR MILE HIGH BOOB

BOEING 7

This is your captain peeking, er...speaking... we're now flying at 30DDs...sorry... 30,000ft

SEXY tourists aren't waiting to hit the beach before they get their boobs out on holiday...

They're doing it on the plane journey there!

A new craze is sweeping the web for girls to post pictures of themselves flashing in mid-air.

Hundreds of ordinary women have braved the wrath of angry air stewards to reveal their knockers on flights to Spain, Greece and Portugal.

Now flight operators are warning the craze is actually ILLEGAL and could actually see flashers being arrested!

One insider said: "In a plane you're subject to the laws of whichever country's airspace you're in. Don't try this if you're flying over Saudi Arabia!"

Mad Men star John's porno past

MAD Men hunk Jon Hamm has confessed he once worked in PORN!

The 43-year-old actor let slip that he was a backstage hand on the set of arty skin flicks back in the mid-1990s.

The revelations came after footage emerged of the Tinseltown gusset moistener appearing on a trashy television show called *The Big Date*, where he unsuccessfully tried to convince a woman to go out with him.

When quizzed by reporters about his sad sack past, he let slip he was employed as a set dresser for late-night erotic movies at the time.

He said: "At that time, working as a set dresser for soft-core-porn movies. It was soul-crushing. I did it for about a month.

"It was late night stuff, not hard-core. Saxophone music, slow pans and dissolves."

Hamm has just finished filming Mad Men's final season, which airs in the UK in 2015.

I was spit-roasted by Timmy Mallett and Keith Chegwin

FANTASY FILTH: Maureen hopes to make a mint from her Timmy and Keith orgy tale

DREAM LOVERS: Cheggers and (*top*) Timmy

‘There were bellends everywhere ...it got very messy’

NEW BOOK SET TO SHOCK BRITAIN!

By BARNEY SAMUELS news@sundaysport.co.uk

A DELUDED housewife reckons she’s on the way to stardom and riches after penning an explicit sex fantasy involving eighties kids’ TV icons TIMMY MALLETT and KEITH CHEGWIN!

Maureen Gold, of Hendon, north London, has spent the last EIGHT YEARS writing her epic 600,000-word fantasy and now she’s looking for a publisher.

The mum-of-three said: “When I was a teenager I really fancied Cheggers and Timmy Mallett and that’s just kind of stayed with me.

“I’m naturally a bit of a daydreamer and spent many hours imagining about what it would be like to have sex with either – or both – of them.

“Eventually, I decided to write down my fantasies. They just kept coming and before I knew it I had eight years’ worth of them and hundreds of thousands of words.”

Longer than Tolstoy’s epic *War and Peace*, Maureen’s book is provisionally titled *Timmy Hammered Until Cheggers Went Pop*.

The 39-year-old is keen not to give away much of the plot, but Maureen has allowed us to publish one short passage. Warning – it’s not for the easily upset:

“I swallowed the length of Timmy’s 10" erection while Keith banged away behind me like a man possessed. It struck me, ‘I’m being spit roasted by Timmy Mallett and Keith Chegwin!’ This was everything I had ever wanted. I sensed they were about to climax and urged them to pull out and spray me with their hot, white love sauce. There were erupting bellends everywhere. The spunk has soaked my bed – it was very messy.”

She said: “I’m onto a winner with this.”

The advent of celebrity sex fantasy fiction has to be the most disturbing trend in publishing.

Texan Anna Todd wrote an online fantasy about One Direction’s Harry Styles. Her ravings have been read by a BILLION people, she’s landed a six-figure publishing deal.

Last night a publishing source said: “When I read this sort of bilge I want to slit my throat. Still, it sells.”

Acid teens arrested in hotel drama

FOUR teenagers were arrested after they ran amok while high on LSD.

Cops arrested a nude 17-year-old for indecent exposure before being called to a hotel room after reports of someone yelling at people.

The suspect, Ben Conner Jr, 18 (*above*) lunged at officers and was taken into custody.

Witnesses told cops the two teens had been chasing a female from the hotel, and claimed there was a third suspect in the building.

Police found the third person before calling medics as all three suspects seemed to be hallucinating.

The chased female later returned to the hotel and told officers all the teens had taken LSD.

All four were taken to a hospital in Williamsburg, Virginia, for treatment, before being taken to the Virginia Peninsula Regional Jail.

Troll flash manhunt

A TROLL-LIKE flasher has struck twice – pouncing from beneath a BRIDGE.

Police have launched a hunt for the man who also performed a sex act on himself in front of one victim while wearing just his boxer shorts.

Both incidents happened in St Neots, Cambs, and the pervert is described as being in his late 40s, 5ft 10” tall. He made off on a silver bike.

Officers are now busy checking CCTV footage from around the bridge.

I'VE GOTTA BIG SURPRISE FOR YOU...WANNA SEE IT? SUCK IT?

WE'VE all joked about waking up next to a tranny after a night on the drink but if the opportunity arose to spend the night with a gorgeous young trans girl plenty of us would go for it, for real.

It's not a closet gay thing...these girls are not interested in guys who fancy guys but real men looking for sexy women. The fact that their c*** could be bigger than yours is neither here nor there! But kinda exciting, all the same...

We have access to genuine UK T-girls looking for text chat and we'll put you in touch with one today. This is a 100% discrete service so no-one will ever know you've been enjoying text sex sessions, let alone sessions with a babe with perfect little tits as well as a stiff little dick! Give it a go...no-one will ever find out.

TEXT A GREY HAIRED GOER!

SOME women just give you the horn. They might be considerably older than you, they might be a friend of your parents or happily married to a wealthy businessman but...well...every time you see her you just want to f*** the arse off her!

That magic, that ability to drive men mad never leaves some women. However old they are, however many lines they have on their face, however saggy their boobs or flabby their belly, they've just got it...in spades!

You might never get the chance to have a go on her bones but you can text someone just like her today.

Explicit

You can text her and tell her how she gives you the horn and how you want to undress her and explore every wonderful inch of her then lose your mess all over her!

You can do it and know that she's gonna f***ing love it!

We've got hundreds of older women like her on our books. Aged from 42 to over 70, we can put you in touch with ladies from all over the UK (just add your postcode to your first text message).

But be warned, these mature women are looking for frank, explicit text sex chat with younger men...and not just chats about jam!

WHY WE ASK FOR YOUR POSTCODE...

WE know that some of you guys are not bothered where a lady lives...as long as she is hot and horny and up for fun!

But many of you want to find a no-strings sex text partner who lives locally. By giving us the start of your postcode we can do this for you. We've got ladies from all over the UK so there's sure to be one living near you! You might have seen her down your street!

If you're not bothered then don't put your postcode in your first message. Easy!

THAT'S NOT PERRY NICE

Fan fury at lookalike's soapy titw*nk video

PERRY NICE: The titwank temptress, left, and the real thing

TALK about a Teenage Dream – here's Katy Perry seemingly pleasuring a lucky chap with her bare BOOBS.

But before you run out of Kleenex, it's NOT the *California Gurls* crooner, but a porn lookalike who's a dead ringer for Russell Brand's former wife.

A clip of the X-rated soapy titwank took the internet by storm last week, with fans going gaga for the explicit footage.

One fan commented: "Man, oh man do I wish this was really her. That would undoubtedly have resulted in gallons of tributes to Ms Perry."

Others quickly recognised that it was a cheeky imposter boasting Katy's trademark blue hair.

Shagger

The bongo babe is thought to be French screen shagger Natasha Nice, who boasts 36D boobs and has long traded on her resemblance to Perry, 29.

Chicken firm logo 'looks like a cock!'

A FRIED chicken company has denied that its company logo looks like a COCK 'N' BALLS spurting SPUNK!

Cardiff-based Dirty Bird's logo is supposed to be a highly-stylised design of a chicken, complete with comb on top of its head.

But more earthy-minded onlookers have decided that the logo looks far more X-rated than that.

The company, which visits festivals and events around Wales, admits it has received a few complaints about its brand identity.

But Neil Young, Dirty Bird's owner, claims the logo was never intended to be phallic.

He says the single hole on top is an eye and the "drops of liquid shooting out" are the chicken's comb.

Designer Mark James said: "We were given the name Dirty Bird as the brief, and started working on ideas. It's graphic representation of a rooster incorporating the initials. It depends on how you look at it."

Man pulled pud at library teen

A MAN caught wanking in a public library by a teenage schoolgirl has been told he must make "personal adjustments" to avoid going to prison.

Matthew Rogers, 21, admitted the offence in Chelmsford library in Essex, claiming he "can't control the urge". He got a three-year community order...and advice.

Helen: I love a good spanking!

ROYAL GILF Helen Mirren is dame for a laugh – after admitting she loves being SPANKED!

During a recent American television appearance, the knockout OAP confessed she is partial to the occasional firm hand on her pert 69-year-old bottom, but says she doesn't go for "whips and chains".

While performing a skit on NBC's *The Tonight Show with Jimmy Fallon*, the host asked Helen about upcoming kinky skin flick *50 Shades of Grey* and the Oscar-winner replied: "Whips and chains are not my style, but who doesn't love a jolly good spanking?"

The actress also blurted-out another secret, teasing her love of BIG COCKS!

She joked: "My motto in life is you can never go wrong by treating yourself to a nice foot-long!"

It's been a saucy week for our Hel, who showed her TWERKING skills - on live TV! During an appearance on *Live! With Kelly and Michael*, Dame Helen told how she did the sexy dance during a charity base then proceeded to show off her moves in front of the shocked audience!

A TV insider said: "Helen knows she has sex appeal and seems to be getting even ruder with age!"

Costa cap goes down badly again

THE captain of the doomed cruise liner Costa Concordia has come under fire again this week – after giving a lecture on boat safety!

Notorious Italian Francesco Schettino is on trial for the deaths of 32 people in the 2012 disaster, when his ship struck rocks off the Tuscan island of Giglio.

But Francesco, dubbed "Captain Coward" after allegedly abandoning ship before his passengers were safe, was invited to speak at a boat safety seminar linked to Rome's La Sapienza University.

Despite an outcry from angry locals, Francesco insists he's done nothing wrong.

He proclaimed: "I had to talk about panic management, I know what to do in these sorts of situations."

MENTOS & DIET COKE ENEMA ALMOST COST ME MY ARSE!

BOTT-LE MAYHEM: Violent effect Gavin (*right*) experienced in his back passage

MILLIONS have delighted at the explosive fountain created by dropping a Mentos mint into a bottle of Diet Coke.

The phenomenon was first discovered by two Ukrainian scientists in 1983 – winning them a Nobel Prize for chemistry – and has been at the forefront of popularising science in schools around the world.

But like every scientific advance there are those who abuse it...

When portly Gavin Hooper first witnessed the powerful jet of soda shooting from a pop bottle, his first thought was to direct the eruption...up his ARSE!

By BARNEY SAMUELS
news@sundaysport.co.uk

Needless to say, the sexual experiment did not end happily for the 26-year-old unemployed retail assistant from Wrexham, north Wales.

The human rectal passage is primarily designed as an exit, not an entrance. Introducing high-pressure gas and liquid into the anal cavity can be especially taxing for God's arrangement of the rear-end.

Gavin said: "I trembled with anticipation as I hovered my rosebud over the neck of the bottle and dropped in the Mentos.

"But as soon as the foam started shooting up my arse I knew something was very, very wrong. Rather than enjoying sublime pleasure, it felt like my colon was bursting."

In the kind of agony that overcomes embarrassment, Gavin dialled 999 and he was rushed to hospital for an emergency venting procedure.

Red-faced Gavin told *Sunday Sport* last night: "My search for sexual thrills almost cost me my arse. I should have read my Bible more closely for, in Leviticus 12:6 it says 'Thou shalt not puteth stuff into the old fundament that you know you should not put there'."

Window willy show sees Randy cop it

A NAKED hotel guest stood at the window of his room while masturbating – and waving at a policeman in a car park below.

When 48-year-old Randy Littleton was sure he'd got the cop's attention, he gave the officer a "thumbs up" before coughing his filthy love muck on the inside of the window.

Sgt Brian McGregor, spokesman for the police in Kenner, Louisiana, said the officer and the manager of the Veteran's Hotel in the town found the room and knocked on the door.

Littleton answered wearing only his glasses and a pair of underwear.

When asked about his window show, Littleton told the officer: "Man, I was just messing around."

Littleton admitted to rubbing his genitals while standing in full view of the public for five to 10 minutes. He told the officer he did so to arouse himself.

Littleton was arrested and booked at the Jefferson Parish Correctional Centre in Gretna charged with obscenity.

MILEY CYRUS POO SEX NIGHTMARE

SICKOS' TARGET: Miley

Shocked star bombarded by kinky plop fetishist

By JOSEPH SCRIMSHIRE
joseph@sundaysport.co.uk

SEXPOT Miley Cyrus is at the centre of a SHITSTORM – literally!

The raunchy *Wrecking Ball* singer was last week assailed by vile online sex fiends who bombarded the former Disney star on Twitter with requests to watch her drop a TURD!

The depraved attack began when Miley tweeted a link to an image of a candied treat she had received from one of her devoted followers, with the light-hearted caption: "thank you for this! Who made this?"

But Twitter user @lanadelbangerz said: *"@MileyCyrus I wanna eat your shit"*, and other oddballs made similar comments.

Hordes of kinky plop fetish fans began demanding the 21-year-old splatter muck over her adoring fans.

One said, *"I bet @MileyCyrus has very soft, yummy poop"*, while another added, *"I would do anything to suck a log straight from your hole"*.

BRITAIN'S GRUMPIEST COLUMNIST

Les Miserable

BORIS Johnson gave the political world a boost by announcing that he'll stand for election as an MP in next year's general election.

Oh, that's just fking wonderful, that is. At least his movements are restricted to London at the moment – once he's in the Cabinet we'll be seeing the mumbling prick in the news every f**king day.**

Imagine the shame at the G8 summit if he becomes Prime Minister. The other world leaders will be turned out in sharp suits, all keen to express their dynamic ideas to each other, while we'll be represented by a bumbling, blubber-lipped, fluffy-haired fkwad.**

You can just imagine him, standing on his own in the corner of the room – looking like a giant toddler, sucking his thumb and trying to juggle with some tangerines from out of the fruit bowl. A fking embarrassment.**

A WACKY postman has raised some money by going around wearing nothing but a posing pouch made from loom bands.

He'd be better off trying to raise money for the fine he deserves for indecent exposure.

The sick bastard.

PRINCE William has got himself a new job, as an air ambulance pilot, after a couple of years out of work.

Well done, son! You're a prime example of how Britain is getting back on its feet!

Sure, we're living through times of austerity, with proper jobs scarce but you've obviously been plugging away for those two years, trying to find work.

Down the job centre each day, filling in applications and going to interviews even though there's 700 other people going for the same job.

What? You HAVEN'T been doing that? So you had your benefits stopped, right?

WHAT? You get HOW MUCH from the public purse? You sponging ct. You're going to need an ambulance if I get my hands on you.**

BOFFINS have said if we want to stay fit and healthy, we need to completely avoid alcohol for two days in row.

F*** me – I can't remember the last time I went more than two HOURS in a row without boozing.

Oh, yeah, I can – it was when I spent a weekend in the cells.

HEARTBREAKING FALL OF TITANIC STAR

I was once rich enough to pay a dwarf to suck off a horse - now I'm BROKE!

EXTRAS: Rebecca (*circled*) starred alongside DiCaprio and Winslet in hit movie *Titanic*

SUNDAY Sport SHOWBIZ EXCLUSIVE

By SIMON DEAN
simon@sundaysport.co.uk

WHEN you've appeared in one of the biggest movies of all time you'd be forgiven for thinking you're made for life.

So whatever happened to British-born actress Rebecca Forbes, who starred in 1997's *Titanic*?

The film, starring Kate Winslet and Leo DiCaprio, took more than two billion dollars – and by her own admission Rebecca took away "a pretty penny" herself.

But she's now living in a Rhyl bedsit and the riches and high living did not "go on and on", in the words of Celine Dion's anthemic movie theme.

Rebecca, now 45, said: "After *Titanic* none of us could do wrong. Dear Leo and Katie had the pick of their projects and even those of us who had somewhat smaller parts in the movie were also in demand.

"The money rolled in and I certainly lived the Hollywood lifestyle. I had a condo in the Toloca Lake area of LA and we partied every night.

"We did everything: the full dwarfs-with-bowls-of-cocaine-on-the-head parties. One night, just on a drug fuelled whim, I asked this little guy if he would suck off my horse.

"He said, 'Yeah – like, for ten thousand dollars!' And I paid him! Just so I could say I'd seen a dwarf suck off a horse.

"Obviously, that kind of lifestyle can't be maintained and to be honest, I was not producing my best work at this time.

"Soon the work dried up as it often does for actresses once they pass 30. By 2008 I was back in Britain, skint.

"I've done a bit of work back here – I was in the background in an episode of *Hollyoaks* and I've done *Holby City*.

"OK, the high life is behind me and I'll probably never be in a film as big as *Titanic*. But I've seen a midget suck off a horse."

Veronika EMANOVA

SELF-CONFESSED tomboy Veronika Zemanova reckons she's a total SLOB when she's not sizzling in raunchy photoshoots.

Looking at these drool-inducing snaps it's hard to believe the Czech-born pin-up and former porn star is telling the truth.

But the 36-year-old brunette, who sports enormous 30G boobs, reckons: "When I'm not working, I'm a total slob – a tomboy.

"I don't wear the makeup and girly clothes I do when I model.

"I'm always in baggy pants and an old T-shirt.

By NEIL GOODWIN
neil@sundaysport.co.uk

"I like outdoor sports and getting dirty. My friends and I go to music festivals where no-one bathes for days and everyone ends up covered in mud.

"I'll put on an old coat and an ugly hat and go out to clubs and bars you wouldn't believe – real dives.

"I don't care, I love it."

CAPTION CONTEST

WIN £50

THIS WEEK

YOU guys MOO-ved us to fits of laughter with this week's entries, they were UDDERLY brilliant.

But while the quality was over the moon, the winner this week is **Steve Sheppard** who's from Doncaster with: *"Do you think the milk out of them is pasteurised? No way, look – she can only lift em up to her nose!"*

Well done Steve, a crisp £50 cheque will be flying out to you this week.

And while not everyone can take home the dosh, plenty of you had us cackling hysterically...

Robert Lennox, Newton Abbey: *"Ok luv, very impressive. But where are the other two?"*

Michael Degnan, Co Durham: *"Countryfile tries desperately to boost its ratings."*

Neil James, Pemberton: *"Come closer and I'll show you my beef curtains as well."*

Gerald Alinson, of Colchester, Essex: *"My milkshakes bring all the cows to the yard."*

Michael Knight, Kings Lynn: *"Pull the udder one, it's got bells on."*

Mark Nevin, Glasgow: *"Hey guys! Do you think that if I took my top off and went on all fours, that I could get milked to?"*

A.R. Hall, Porthcawl: *"Cop a load of these, you're jealous the farmer sucks on these f**kers – he only squeezes yours."*

Now it's YOUR turn to see if you can win a cool £50 with your wit.

Just come up with a caption for this pic, fill in the coupon and send it to our swanky HQ: *Caption Contest, C/O Sunday Sport, Floor 3, Maclaren House, Lancastrian Office Centre, Talbot Road, Old Trafford, Manchester, M32 0FP.*

Entries must be with us by Friday.

Best of luck, folks!

STUDENTS TALK SEX!

RACHEL O'SHEA

AGE: 20
FROM: Birmingham
STUDYING: International Business
UNIVERSITY: University of Warwick
FAVE FOOD: Pasties
FAVE DRINK: Coffee
FAVE FILM: *The Empire Strikes Back*
FAVE ACTOR: Harrison Ford

HANNAH BROWN

AGE: 20
FROM: Wolverhampton
STUDYING: Business & Management
UNIVERSITY: Aston University
FAVE FOOD: Pot Noodle
FAVE DRINK: Cider
FAVE FILM: *Across 110th Street*
FAVE ACTOR: Eddie Murphy

FIRST-TIME SEX

RACHEL: I remember my first time being really clumsy. I was 16 and was at a house party with my boyfriend when we sneaked into one of the bedrooms and did it.
HANNAH: Was it like you thought it'd be?
RACHEL: No, I was expecting romance and lots of orgasms and for it all to come naturally.

Unfortunately, it only lasted 20 minutes and neither of us had a clue what to do.

It was a relief to get the first time out of the way but it was a bit of a shock that it was so boring really.
HANNAH: I lost my virginity to a boy from school when I was 16. It wasn't his first time and I wanted to lose my virginity to someone who knew what they were doing.
RACHEL: Where did you do it?
HANNAH: It was in his bedroom – we were messing around and got carried away.

He came after just a couple of minutes, and I was gutted.

BUM FUN

RACHEL: I'm sick of blokes asking me to have bum sex! It really isn't an appealing thought and most of my friends reckon it hurts a lot.
HANNAH: Do you think you'll die with your bum virginity in tact?
RACHEL: I'm not sure, I'm certainly not ruling out trying it but I just don't want to do it anytime soon!
HANNAH: The closest I've been to having anal sex is when an ex-boyfriend stuck his finger up there during sex.
RACHEL: Did you like it?
HANNAH: No – it really hurt and it's put me off having bum sex for life.

DRESSING UP

RACHEL: Have you got any kinky costumes in your wardrobe?
HANNAH: I've only got a naughty nurse outfit, but it's had plenty of use!
RACHEL: What's it like?
HANNAH: It's really short and revealing. Every guy I've worn it for has gone crazy for it and it has improved my sex life no end. I find that role-playing is a real turn-on too.
RACHEL: I haven't got any costumes but I've got loads of sexy lingerie. It makes me feel really sexy when I dress up in a basque and suspenders and blokes love it too.
HANNAH: Would you wear a costume?
RACHEL: Why not? I've always fancied dressing up as a French maid, ha ha!

ADULT TOYS

HANNAH: Do you own any sex toys?
RACHEL: Yes, I've got a big tub of chocolate bodypaint! I find it a real turn-on licking it off a guy and it's quite sensual having it licked off me too!
HANNAH: Have you got a vibrator?
RACHEL: Not any more – I used to have one but it broke and I haven't got around to replacing it yet.
HANNAH: I've got a Rampant Rabbit and its ears are the best invention ever! I can't believe how quickly it can make you orgasm.

FAVE POSITION

RACHEL: I enjoy sex a lot more when I do it doggy-style. It's nicer when the guy is in control and it's the naughtiest position I've ever tried.
HANNAH: I prefer doing it with my legs over the guy's shoulders. His willy gets in as deep as possible and the deeper it gets, the more chance you have of reaching an amazing climax.

WILLY SIZE

RACHEL: Do you think the size of a man's Johnson makes much difference?
HANNAH: No, I hate big willies – they don't look normal and I'd never have sex with a guy who had a big one.
RACHEL: What's the biggest you've had?
HANNAH: It belonged to an ex and it wasn't long, it was just really fat! I took one look at it and dumped him on the spot! Average sized willies are fine by me.
RACHEL: I completely disagree with you, size matters a lot because you get deeper penetration with a big one!

I once slept with a friend whose willy was seven inches long and it was one of the best shags of my life.

The bigger the better for me!

UNI ACTION

HANNAH: Everyone says students have the best sex lives, do you agree?
RACHEL: No, students have more sex than everyone but it's usually drunken and is crap! You can never remember it the next morning either.
HANNAH: I agree – students' sex lives are more active than ordinary people but I'm sure working people have much better sex than us students.

> **"Students have more sex but it's usually drunken and crap"**

ONE-NIGHT STANDS

RACHEL: Do you think one-night stands are worth the hassle?
HANNAH: Yes – my experience of one-nighters has been really good. I've only had three but they were all great in bed and I had no regrets the next day.
RACHEL: Did you not find it a little bit embarrassing?
HANNAH: No, they were fit and we both knew it was just sex – nothing else! One-night stands are great.
RACHEL: I've had four one-offs and only one of them was bad. He was drunk and couldn't get it up!

OLDER GUYS

HANNAH: Have you been with older men?
RACHEL: Yes, I had a fling with a 38-year-old guy last year and he was great in bed! Older guys are much better lovers than guys our age – I suppose it's down to their experience.
HANNAH: Who would you like to shag?
RACHEL: If I could choose anyone it would be Daniel Craig. He's got a great body and I bet he's amazing in bed!
HANNAH: The oldest guy I've been with was 26 but he was a great shag and knew his stuff!

I used to really fancy my politics teacher when I was in sixth form. He had a really sexy voice and I would've loved to get him into bed!

OH-NO MOMENTS

RACHEL: When I went travelling last year I had a fling with a guy and was having sex with him on a bunk bed in our hostel when six strangers walked in on us!
HANNAH: What did you do?
RACHEL: Screamed and hid under the covers! They all thought it was funny but I've never been so embarrassed in my life.
HANNAH: Once, I hadn't seen my boyfriend for about two weeks. I was snogging him in bed and he came without me laying a finger on his willy!
RACHEL: Did you get laid that night?
HANNAH: No, I ended up getting my trusty Rampant Rabbit out instead! I was a bit gutted.

THREESOMES

HANNAH: I haven't but the guy in the next room to mine was shagging two girls all night long. They sounded like they were having the time of their lives and kept me up all night long!
RACHEL: Will you ever have one?
HANNAH: Yes, I was really jealous of my neighbour having one before I did! I hope I get to try it, one day.
RACHEL: I've not tried a threeway yet. But I'd love to do it with two blokes at the same time. That idea turns me on.

FIRST TIME TOPLESS... POLLY PRESTON

PRETTY Polly is a CRACKER!

With flame red hair and come-to-bed eyes, the wannabe pin-up – who debuts today in *Sunday Sport* – is one of the most eye-catching models we've seen this year.

And with stonking all-natural 34C breasts she's got one of the finest racks in the business, too.

The former nurse, from Plymouth, hooked up with our photographer in Los Angeles, earlier this month as she makes the move from commercial pin-up to glamour siren.

By NEIL GOODWIN
neil@sundaysport.co.uk

And the busty beauty told us: "I've been modelling since I was 18, but so far it has only been for fashion websites and catalogues. This is the first time I've ever posed topless.

"I've got to be honest, it was pretty nerve-wracking. I came straight from a clothed modelling assignment to this.

"But I absolutely loved taking my clothes off, and I loved looking at the pictures afterwards."

LAUREN LOVES A GOOD GOBBLE

By JOHN FITZPATRICK
fitzy@sundaysport.co.uk

WHIP out your sausages and fondle her baps – because Lauren Wood says FOOD is the way into her KNICKERS!

The 23-year-old grub fan has opened up about her love of a good NOSH, insisting she can't get enough of gobbling meat.

And if a bloke knows his way around a frying pan, the Romford stunna says he's a shoe-in for a fumble.

Lauren – who boasts cracking 32E charms – said: "I love to cook, and I'm always having people over for dinner.

"My signature dish is coq au vin – just because it's got a naughty name!

"But while the way to my knickers is definitely through my stomach, here's a tip to any males reading this – don't eat with your mouth open.

"To me, that's the biggest turn off ever."

Dear Nickie,

I WENT into a new bank last month, planning to switch all my accounts.

The first person I spoke to was a cashier with massive jugs.

She spoke with a very thick northern accent, which always gets me going.

When I returned to the bank a few days later I found she had been promoted to customer relations and was on this side of the counter.

She took me to a little room to sign up and I sealed the deal while watching her cross and uncross her black-stockinged legs.

I left her a deposit. The trouble was it was in my pants and had leaked on to the chair.

Will I ever be able to go back to see her without making a real tit of myself?

RF, Kent

Nickie says...

IT'S too late for that. You're better off banking elsewhere.

Dear Nickie,

I AM a 50-year-old woman. I am fairly attractive and I enjoy having sex with my husband.

We have a really active sex life, but he is the only man I have ever had sex with.

We have been together since we were 18, so I've only ever kissed other guys before I met him.

Now I want to explore a bit more and would really like to have a threesome with another guy.

The thought of having two cocks to play with at the same time makes my mound so moist!

But I don't want my hubby to feel like he is inadequate.

How do I ask him?

Joan, Liverpool

Nickie says...

I THINK the best thing to do is sit him down and explain that you love him and don't necessarily find other men attractive, but you feel like you need to try things you didn't when you were younger.

You have been with him that long that he should understand. And you never know – he may have thought of it too and it could be great for your sex lives.

Dear Nickie,

MY wife and I have been together for 10 years and married for five of those.

I couldn't believe my luck as she is so sexy and, not only that, she loves sex and all the time.

We are both quite kinky and the other day we were watching some porn and a girl was using anal beads on a man. Since then my wife wants to use them on me.

She has used her fingers on me before which I quite enjoyed, although I didn't like admitting it.

But I don't know if I would like these.

Brian, Horley

Nickie says...

I HAVE never even thought about doing this before, but I asked a few friends of mine and one has. She will remain nameless, though.

She said the guy really wanted to do it and after a few drinks they both chilled out and he really enjoyed it. I think it gives guys quite a sensation.

My advice is to have a good think about it and be 100 per cent sure about doing it before you do.

DO YOU HAVE A SEX PROBLEM?

AGONY WITH Nickie Ann

Naughty barmaids serve it up for £10

Dear Nickie,

AT the end of a very boozy birthday bash at my local, me and a couple of my mates tried it on with two of the gorgeous barmaids there.

They're both blonde and in their early 20s with nice bodies.

We got chatting and they told us that they'd give us a great blowjob for a fiver and we could shag them for just a tenner.

So me, my mates and the landlord went to the pool room.

They both stripped off and I got my knob out before one sucked me off and the other was taken from behind while giving a blowjob and a handjob to my mates and the landlord.

She looked like she was really enjoying it and I couldn't wait to get my bone in her.

I was just about to come when the bird blowing me got off her knees and bent over the pool table.

She pulled apart her arse cheeks and I sunk my big, fat cock right in as far as it could go and let her feel the full force of my love-juice as it gushed into her.

I then went over to her mate and for my tenner I had her in both holes.

Her fanny was a bit slack but her bumhole was pretty tight.

At the end of the night the girls had made about £100 each and I invited them round to my place to celebrate my own birthday a week later.

When they turned up they looked superb in really short dresses and loads of cheap make-up. I've always been a sucker for a dirty-looking tart.

After they'd had a few drinks, they did a strip to reveal their black stockings and suspenders.

We went to my room, which has a mirror on the ceiling, and I set my video recorder up and filmed them having a really filthy lesbo romp.

Then, with my knob throbbing like a nuclear reactor, I watched as one sucked me off while the other licked my hairy arsehole.

It wasn't long before I gushed a massive wave of spunk all over their massive tits.

I then had sex with both of them in a variety of positions and in every hole you can think of.

Bargain

My favourite was having one of them sitting on my face really writhing about while the other bucked like a donkey on my rock-hard pink missile.

After a few hours I reckon I'd spunked up a good bucket-load of the white stuff – not counting what was still streaming out of the girls!

At the end of the night they said they wanted £20 each.

I wasn't too happy with this, but they said that in future they'll only charge £10 each for a threesome.

I think this is a real bargain because I make them work for their money.

What do you think?

SS, South London

Nickie says...

IT sounds like these two are worth every penny.

Dear Nickie,

I AM an 18-year-old guy and I hang out at my friend's house quite a lot.

He lives with his mum and one night we all had a bit too much to drink and my friend passed out.

Me and his mum stayed up talking and one thing led to another and we had sex.

She isn't that attractive and I had the beer goggles on at the time.

But at least I got to shoot my muck that evening.

The problem is now I think she is interested in having a bit more, but I am not too fussed.

What shall I do?

Ricardo, Rotherham

Nickie says...

RICARDO, I think you need to be honest with her. Women generally understand these things a lot more than you think and my guess is she will like your honesty and will understand.

Dear Nickie,

I'VE been with my girl for six months and we enjoy great sex.

We are into bondage and enjoy dressing up together.

A couple of months ago she suggested filming our romps. I was totally turned on by the idea and we agreed to play our favourite sex game.

We set up a camera and she put on her leather outfit, tied me to the bed and pleasured me with her hands and tongue.

She straddled my face and lowered her sopping wet fanny on to my lips and eager tongue.

She orgasmed three or four times then plunged down hard on my eight-incher and she rode me till I came.

But I've since found out that my girl has been showing it to her mates and I feel betrayed.

Should I dump her?

DM, Wilts

Nickie says...

STOP moaning and lap it up.

SEX CONFIDENTIAL

DAVE SIGNS UP TO A 'STOP TUGGING' TRAINING COURSE

Nickie says...

IN previous generations, the act of masturbation – or "self-pollution" – was seen as a cardinal sin.

Habitual masturbators were warned that the practice thinned the blood, wasted the muscles and led, eventually, to foam-mouthed insanity.

We now know that such scare stories are utter nonsense and that masturbation is perfectly normal and healthy in the right place, (outside a primary school, for example, is normally frowned on).

That said, Dave has played a blinder by signing up to an anti-masturbation course – as he got to shag the bird with the great big tits!

BORAT LAND IS THE NEW BANGKOK!

By BRAD CHADWICK
news@sundaysport.co.uk

SUCKY F**KY: Borat's home offers sexy good time

A COUNTRY made famous by the fictional halfwit Borat is set to become the next Bangkok, according to tourism experts.

The oil-rich Central Asian state of Kazakhstan is fast turning into the East's fleshiest fleshpot.

And employers in nearby India know that the way to get the most out of their employees is to offer them a Kazakh holiday as a bonus.

Iqbal Mulla, former president of the Travel Agents Association of India (TAAI), said: "Places like Kazakhstan and Uzbekistan are becoming the next Bangkok – which is known for its sex tourism.

"Many Indians choose these countries, especially Kazakhstan, over Bangkok, Singapore or Indonesia."

Recently, 50 retailers linked to a well-known Indian electrical firm were offered an all-expenses paid trip to London as an award for meeting sales targets.

But most chose to go to Kazakhstan – a destination meant for those achieving a low sales target.

Kazakhstan, which is going through rapid industrialisation, has become a hub for hookers over the past few years.

Though air travel to Kazakhstan is not that cheap compared to Bangkok, accommodation and food is.

Most people know Kazakhstan as the home of TV reporter Borat, created by comedian Sacha Baron Cohen (*above*).

STRAW BLIMEY! IT'S TOMMIE JO

By JUSTIN DUNN
justin@sundaysport.co.uk

SO there we were, innocently wandering into a barn looking for a bale of hay... and there's tantalising Tommie Jo taking her clothes off!

The buxom 34DD blonde was wearing nowt but cowboy boots, denim shorts and knickers – and very quickly, none of those either!

The Essex stunna likes the cow girl theme, too.

She admitted: "I've really got to like doing the reverse cowboy position over the years.

Pert

"You know the one, it's where you sit on top of a man with your back to his face, let him slip inside you and then ride him up and down like you're at a rodeo.

"I just love doing it that way because he gets off on looking at my pert bottom writhing around the place.

"And I love to hear his groans. He is in my hands and it's all about whether he's going to climax or not."

Blimey – saddle up, fellas!

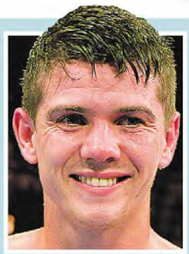
Brook's closing in on one Kell of a payday



BRIT PAIR GET THEIR CHANCE TO SHINE

LUKE CAMPBELL and Callum Smith will make their American debuts on the undercard of Kell Brook's IBF welterweight title clash against Shawn Porter on Saturday night.

Olympic gold medal star Campbell *(above)* and super-middleweight Smith earned their dream fights across the pond with wins in Liverpool last month.

Promoter Eddie Hearn said: "This is all part of the development of our great young fighters.

"It's about new experiences and new atmospheres – it's all part of the plan to turn them into the finished article.

"It's also a great bonus for Kell Brook's travelling fans to see two of the best rising stars from Britain getting their chance to perform on such a massive stage."

CASH COW: Amir Khan could be next up for Brook

TIME TO DELIVER: Kell Brook faces a massive fight with Shawn Porter *(above left)* in LA

KELL BROOK believes he'll have the "key to Fort Knox" if he beats Shawn Porter next weekend.

His long-overdue world title fight comes on Saturday when he challenges for emerging Porter's IBF welterweight title in Carson on the outskirts of Los Angeles.

It's a big task for unbeaten Brook in the American's backyard, but the 10st 7lb division is arguably the most lucrative in boxing so he'll be motivated to spring an upset.

Floyd Mayweather is boxing's cash cow and Brook could also earn mega-money fighting Amir Khan.

The Sheffield man, 28, said: "I know that winning this fight puts me in line with all the elite fighters in the world of welterweights.

"I know I'll be fighting a big name and that this fight is the key to Fort Knox."

Khan is searching for a December opponent and Brook admitted: "Of course, it's in my mind.

Dithering

"It's a business though and there are many money fights out there, not Amir Khan but international fights.

"I think people in America and around the world will take note after I beat Porter."

Brook believes Porter is genuinely worried about him and has been trying to turn him into a nut job.

He believes the champion and his team have tried to get into his head by dithering over the fight and date.

But after injury setbacks delayed his world title chance, Brook – who has been boxing professional for 10 years – says that mind games are a waste of time. Brook, who has won all 32 professional fights, added: "They wouldn't want to fight me if they had the choice, but because I'm mandatory, I'm on their case and they have to fight me.

PORTER WIN WOULD OPEN THE DOOR TO KHAN AND MAYWEATHER

"They've been messing about with the dates and stuff but we expected that. It means we've kept on training. We weren't distracted from it, so here we are now."

Porter, 26, will be making the second defence of the title he won against Devon Alexander on points last December.

That was an upset, but in April he showed why many believe he's an emerging star by hammering Paulie Malignaggi in four rounds.

Afterwards, Malignaggi told me that every shot stocky Porter threw he felt with force, and he was now considering his future.

Porter, whose only blemish in 25 fights is a draw against Julio Diaz that he avenged, said: "I've pretty much fought the who's who of young fighters out there.

"It's just another step. Brook is the guy that is mandatory for the title and the guy that we were told we had to fight.

"We go in there with a great game plan. We'll execute it, fight him and move on from there."

CHALLENGE CUP SEMI-FINALS

Rhinos on charge to final place

Leeds	24
Warrington	16

LEEDS will get the chance to end their 15-year Challenge Cup drought after brushing aside Warrington at Langtree Park.

A dominant opening half laid the platform as they led 14-0 by the break.

Kevin Sinfield struck a third-minute penalty before Ryan Hall *(above)* produced a brilliant one-handed finish in the corner.

Four minutes before half-time Danny McGuire put Hall in again.

Wolves hit back after the break when Chris Bridge touched down.

Leeds got a third try when McGuire provided another killer ball, this time for Joel Moon.

Warrington kept going and Stefan Ratchford got across the line.

But Tony Smith's men were unable to follow that up and when Ritchie Myler's pass ended up in the hands of Tom Briscoe, he raced 60 metres to clinch it.

Shenton sure Cas will get hold of semi

Widnes v Castleford

Today, 3pm – Live on BBC2

MICHAEL SHENTON insists Castleford will not be like "rabbits in the headlights" when the first whistle blows in today's semi-final.

The Tigers are enjoying an excellent season few would have predicted and have left their passionate supporters dreaming of a Wembley final.

Daryl Powell's men head into the last-four showdown as favourites.

And Shenton does not expect his less-experienced team-mates to be overawed.

The 28-year-old centre said: "We're not going to be rabbits in the headlights. We've got to play the way we play."

Denis Betts, who has taken the Vikings from the wooden spoon to the brink of the play-offs in two seasons, insisted that form counts for little in such a big match.

He said: "There are no favourites going into this game.

"Whoever handles the pressure the best should come out on top."

MINE'S A TRIPLE

NAP: Mia San Triple

Mia San can do business at Windsor

By MIKE FRANCIS

GARY MOORE'S rising star now MIA SAN TRIPLE loves the 6f course at Windsor and can make it a hat-trick of wins at the Berkshire venue today.

Jeremy Noseda's charge was a winner at the track in June and duly followed up last month with a half-length victory over Ginzan.

She made nearly all of the running that day and battled gamely when challenged, showing a really likeable attitude.

Improvement

She will have to really apply herself again as she lines up off a 6lb higher mark but Mia San Triple has not seen much racing yet and could well have plenty of improvement in the locker.

PARSLEY has been pretty highly tried so far this season but should appreciate a slightly easier task today in the MacDonald Hotel Windsor Novice Auction Stakes.

Richard Hannon thought this filly good enough to run in Group Two company on her penultimate start and she was hardly disgraced in finishing fourth in the Duchess of Cambridge Stakes on what was quite testing ground at Newmarket in July.

Hannon then decided to take her chance in the Super Sprint at Newbury but after showing some early pace, she was well held by stablemate Tiggy Wiggy in finishing sixth.

She still picked up a nice cheque for her efforts, though, and a victory here would serve as a nice confidence booster ahead of some more possible sales race engagements later in the season.

DINNERATMIDNIGHT is the pick in Leicester's Coplow Handicap following a recent Lingfield win.

Ralph Beckett's charge looked pretty smart when winning at Warwick back in April but a competitive York heat, won by G Force, proved beyond him as he finished way down the field after lacking the necessary pace.

Given a break after that May spin, Dinneratmidnight returned to action in the best possible way with a win at the Surrey venue, feeling the benefit of a step back up to six furlongs from the minimum trip.

He sticks at that distance here and appeals as an unexposed runner with plenty of potential.

Ally

DON'T STARE could be worthy ally in the Daniel Moult 30th Birthday Handicap.

James Fanshawe's four-year-old did not shape too badly upon his return to the turf at Yarmouth last month when fourth behind Genius Boy in a nine-furlong handicap.

Having been dropped another 2lb, the gelded son of Zamindar remains unexposed in this sort of company and should enjoy this slightly longer trip, allied to the prospect of easier conditions.

DOG LEADS

BY MICK LIVESEY

Lode the cash on to Esteem

A SUPER Sunday at Hove this morning with some brilliant open-race action for us to savour live on BAGS/SIS.

Lode Esteem is over four years old now and safe to say he lost his way slightly in recent times but when he's good he's very good. Last week he showed he still retains plenty of ability and ended a nine race losing streak, he is the sort of greyhound who can string together a decent run of victories now his confidence is soaring once more. Drawn in red if he can break level he should turn in front and if doing so it would be a big surprise if he was then beaten.

I rate Hoof It Katie highly so I have to tip Express Coral who beat her last week. Coral showed quality pace to make every yard a winning one, she also showed she's tough by holding the fast finishing Katie by a short-head.

This looks an easier task with Precious Lucy drawn on her inside not the fastest of breakers she should have the inside to herself and that can pay dividends for Paul Garland's lady.

ONE TO WATCH

Millwards Teddy T6 13.12 is a proper greyhound over four-bends but today he makes the step up to six-bends, this is one of the toughest introductions to the further distance being over 695m and there's no hiding place at Hove.

I'm not sure if he can win today taking on highly proven staying stars like Polar Prospect but he most certainly looks to have a very exciting future over the extended trips and is a dog for your notebooks.

HENLOW TONIGHT RPGTV

A nice mix of opens and graded races live on RPGTV Sky channel 212.

The 550m maiden grabbed my attention when I saw that Vanfrenchie was a runner. This greyhound ran against some huge names in Ireland including Greenwell Hulk and Boylesports Hero. He looks to have an outstanding chance of winning on his second UK start for champion trainer Mark Wallis.

ENGLAND v INDIA – 4TH TEST, DAY 3

OUCH! Broad top-edges the ball through his grille and *(inset)* is helped off the pitch bleeding

India stuffed after Broad smells blood

By BOB FLEMING

JIMMY ANDERSON was once again in fine form as England closed out a quickfire victory at Old Trafford.

Roared on by an excited crowd on his home ground, Anderson took the crucial wickets of Gautum Gambhir (18) and Virat Kohli (7) as India crumbled to defeat by an innings and 54 runs.

But the pace ace had to do without his bowling buddy after Stuart Broad was taken to hospital following a nasty blow to the nose while batting.

Broad top-edged a short ball from Varun Aaron through the gap in the grille of his helmet and onto the bridge of his nose, leaving him bleading at the wicket.

Broad retired hurt, leaving it to Anderson and Chris Woakes to complete England's first innings on 367-9 and post a lead of 215.

It appeared that India had planned to attack England's batsmen with short balls in an attempt to end the innings.

HOME TOWN HERO: Jimmy Anderson

Joe Root and Moeen Ali had also been troubled by the same bowler during the morning session.

But they still lifted their side into a position of complete supremacy.

Both were dismissed before the interval, Root (77) and Buttler (70) becoming Pankaj Singh's first Test victims. India captain MS Dhoni again struggled, and his most glaring error came when he failed to gather a throw from Aaron cleanly and missed an opportunity to run out Buttler for 44.

After the Broad bloodbath, India knew they had to bat long to give themselves any chance of salvaging a draw, with plenty of rain predicted for the final two days. But after openers Murali Vijay and Gambhir had made a steady start, Chris Woakes finally got a wicket when he trapped Vijay lbw on 18.

Anderson enticed Gambhir to glove a short ball to Buttler as India started to wobble.

And Moeen made it two in two balls when he struck Cheteshwar Pujara (17) on the pad in front of the timbers.

Ajinkya Rahane made just one before patting a regulation off-break straight back to Moeen for a caught and bowled.

India were rocking by now and Anderson sent Kohli back to the hutch when he found the edge and Ian Bell pouched.

Mooen had the fans on their feet twice more when he got Ravindra Jadeja (4) and Dhoni (27) both caught.

He delivered a bullet throw to run out Bhuvneshwar Kumar (10).

And Chris Jordan wrapped it up with two in two balls, getting Aaron to edge behind before bowling Pankaj.

GARY LINEKER has said he is so sick of FIFA and its corruption, he reckons England should boycott all future tournaments.

Also last week it was revealed Howard Webb has retired from refereeing.

In his honour, Manchester United have retired the Old Trafford penalty spot.

United will be back to their best this year, with or without Webb, and are great value to pick up the Premier League title.

RYAN'S READY FOR TOP SPOT

TAKE IT AS RED: Giggs and new boss Van Gaal need to get back on a winning run

RYAN GIGGS is desperate for Manchester United to return to a period of stability in a bid to restore their place at the top of English football.

By PHIL CADDEN

The Red Devils suffered their worst Premier League finish of seventh last season under David Moyes – and that miserable campaign saw Moyes axed after just nine months in charge.

Louis van Gaal was appointed and the Dutchman will be in the dug-out for his first league game against Swansea on Saturday.

And assistant manager Giggs, who won 13 league titles with the club, hopes the new-look United will hit the ground running.

Giggs, 40, said: "We all hope that we get stability. That's all guided by results. You need to get good results and everything will be okay.

"That's what we are all focusing on and trying to do. Pre-season has gone really well and we are set up for an enjoyable season."

After retiring in May, Giggs insists he gets the same buzz as a coach as he did when he was a wing wizard.

The Welshman added: "I was never a great fan of pre-season as a player. You have to go through the games and the training.

"But when the real stuff starts, then that's when you get excited and you can't wait for it to come.

"You look through the fixtures and earmark certain games during the season. I've done that as a coach now.

"I still get the same feeling and I can't wait for the Swansea game.

"It's a great start for us. Obviously, we are at home and that's all you can ask for. The crowd will be right behind the team and the manager.

Frustration

"I can't wait. We've shown good form on the tour of America and hopefully we can take that into Swansea."

Shinji Kagawa insists Man United's flops learned a rough lesson last season.

But the Japan striker is feeling positive about life under Van Gaal.

He said: "When I look back, last season was tough. I will use that frustration as a trigger to express myself this season.

"We want to keep succeeding in the boss' new system, and we want to win trophies. That's what the fans expect."

Sone uses cup run to tame Europe

By JAMES McMATH

SONE ALUKO believes Hull can use their FA Cup knowhow to carry them through in Europe.

The Nigeria striker scored the winner in their first ever Europa League tie in a full house at the KC Stadium.

A 2-1 win over Slovakian side Trencin earned Steve Bruce's side a place in the play-off, where they will face Belgian side Lokeren for a place in the group stage.

Hull are away in the first leg on August 21, before the return game a week later.

Victory will put the FA Cup runners-up in the group stage and Aluko *(left)* said: "Hopefully this is the start of a good little run. We had the FA Cup run last season and maybe we can have a European one.

"It was great to play in front of a full house and European nights can make some great memories.

"Thursday night was one of those and it was great for the supporters."

Hull boss Bruce has urged his side to go as far as they can in the contest.

He said: "I understand how difficult it will be, there's no question about that, but you've got to try to enjoy it."

The Tigers face Stuttgart today before kicking off their Premier League campaign against QPR on Saturday.

Jack says it's boring at the back

JACK RODWELL reckons life as a central defender is "boring".

But Sunderland's £10million signing would take the tedium if it meant an England call-up.

Rodwell, who began his Everton career as a centre-back, said: "When you're young it's easier for a manager to put you in midfield than at the back.

"I think I'm wasted if I play at centre-back. I think I've got more to offer than playing there – and it's boring as well."

And on adding to his three England caps the 23-year-old added: "I'd back myself to get back in the England team at centre-midfield.

"But I would play anywhere to get a game for England."

Coleman Luks set to miss start

EVERTON have been dealt a blow with defender Seamus Coleman set to miss the start of the season.

And record signing Romelu Lukaku is also facing a race against time to be fully fit for the Toffees' curtain-raiser at Leicester.

Right-back Coleman was one of Everton's top performers as they finished fifth last term.

But the 25-year-old hasn't played since injuring a hamstring in a friendly last month and boss Roberto Martinez has already counted him out.

Lukaku, who is not yet up to speed after his World Cup campaign, stayed in training rather than join his team-mates for their final friendly in German against Paderborn.

Matty: We'll give them Moor grief

BURNLEY midfielder Matty Taylor reckons the Premier League big guns won't fancy the welcome they will get at Turf Moor.

Chelsea and Man United are the first two visitors to the newly promoted Clarets.

And new signing Taylor believes they'll be in for a shock when they get a taste of Lancashire hospitality.

Likening it to Portsmouth's Fratton Park, the ex-Pompey man said: "The ground is an older style one, like here, and the changing rooms for the away teams aren't wonderful.

"We turned that into a real game-changer for us at Portsmouth and I believe we've got the opportunity to do that here."

PREM GRAVY TRAIN IS LEAVING LOWER LEAGUES COVERED IN BROWN STUFF

THE evils of the Premier League are slowly starting to spread.

A new Championship season has started, and it's covered in huge brown splatters from the top-flight gravy train.

The fact that Fulham have been able to shell out £11million on what is basically nothing more than a half-decent Championship striker in Ross McCormack, whilst players that were commanding similar huge fees just a couple of seasons ago are cast adrift as frees, proves the Premier League parachute payment system needs changing quickly. Barnsley were relegated from the Championship last year. Their chief executive Ben Mansford recently revealed that the difference in revenue between the Championship and League One is a staggering £4m, and the parachute payment for relegated clubs a measly £140,000.

This sort of gap means that it will become harder and harder for teams like Barnsley to bounce back.

Not only that but, as the second tier becomes full of clubs with parachute payments burning holes in their pockets, the incentive to invest in home-grown youth is lessened at this level as well as the top one.

Posh are doing a great Britt of business!

MEANWHILE, there's some good transfer business being done in League One.

This time last year, Peterborough sold striker Dwight Gayle for a reported £6million – six months after snapping him up for £500,000.

He was replaced with £2m Britt Assombalonga *(left)*, who has just signed for Nottingham Forest for £5.5m.

Posh fans, however, may not be quite as impressed, which is possibly why owner Darragh MacAnthony, who seems to spend half of his life tweeting, has been steering clear of Twitter ever since their top scorer left for Forest...

NOW EUR HAVING A RIGHT LAUGH...

EARNING a place in the European competitions seems to have gone on longer than ever this year.

There seem to be several two-legged qualifiers before you even make it to a play-off.

And, once you've played what feels like half a season to make it into the Europa League proper, the managers start complaining that it's a distraction.

Then there's Celtic's "Chuckle Brothers" Champions League adventure.

Perhaps they should replace the famous tournament theme with the bloody *Hokey Cokey* the next time they play.

SILVER LINING: Nasri says City offered him trophy success Arsenal couldn't

ARTETA INSISTS THERE'LL

By IAN WINROW

MIKEL ARTETA admits Arsenal must shed their big-game hoodoo – starting in today's season-opener against Manchester City.

The Gunners' Premier League title challenge ran out of steam last season when they faced their top-four rivals.

Arsene Wenger's side were left humiliated after their trips to City, Chelsea and Liverpool last season, shipping 17 goals in those three games. The humiliating defeats reinforced the idea the Emirates side are way short of making a challenge for the championship.

Midfielder Arteta *(left)* knows Arsenal must now prove the scars have healed.

And he reckons that victory over City today – coming on the back of May's FA Cup win – will send out a powerful message.

The Spaniard said: "Mentally we need to go through that barrier because we can't allow it to affect us this season.

"It's a different season, a different scenario, and we have some different players.

"We had some good results away from home in previous seasons, against Chelsea we beat

ARSENAL V MAN CITY

I didn't quit Wenger for the wenga!

By PETE OLIVER

SAMIR NASRI has told Arsenal fans they are wasting their time booing him as he prepares to face the Gunners at Wembley.

Arsenal supporters have previously turned on Nasri after claiming his move to Manchester City three years ago was motivated purely by money.

To add salt to their wounds, Bacary Sagna continued the talent drain from the Emirates to the Etihad this summer as he also joined the champions.

But Nasri insists money is NOT behind the moves and refuses to get upset by the reaction of the fans.

"I just think it's stupid. I'm not an Arsenal fan, I am not from London," said the 27-year-old, who will take on his former club in this afternoon's Charity Shield.

PACE ACE: But Sanchez may take a season to settle in at the Emirates, according to Samir Nasri

Problem

"If we want to be honest, we are players and we are just looking at what are the best interests for us and our career.

"When Manchester City came, for me it was the best choice to come here. I have won trophies and I have a better life, so I am really happy about everything.

"If the fans can't move on it's too bad. I am not trying to have a problem with that. They do what they have to do and they love their club."

Nasri added: "They see that as a treason or that I betrayed them, but it's not that. I just look what's best for me and that's what Bacary did, what Adebayor did and what Kolo Toure did.

"For the fans the only reason has to be for the money, but it isn't just for the money.

"It's a factor and it's important. But if someone earns £200,000 a week or £150,000 or £100,000 a week it's not that which is going to make a difference or an impact on your life, so that's not true."

Nasri remains highly respectful of Arsenal boss Arsene Wenger and admits he is the man who has made him the player he is today.

Weaknesses

But the City playmaker fears Wenger's 10-year wait for another league title will go on and predicts that star signing Alexis Sanchez may take time to find his feet in English football. He said: "Arsenal bought Sanchez and other players, but for me I still think they have a weakness in defensive midfield and at centre-back. If they strengthen they will be really dangerous.

"Sanchez has the quality. He is a great player.

"But the Premier League is not La Liga. It is really, really hard.

"Maybe it will be a year of adaptation."

BE NO MORE MESSY BLOW JOBS

them 5-3 and we went to Manchester City and we deserved to win. We did very well.

"It can't affect us. Big defeats happened and we treat it like an accident.

"We need to forget about it and make sure we compete against the big teams."

Arsenal are back in the traditional season curtain-raiser for the first time in nine years. May's victory over Hull ended a trophy drought and silenced the growing doubts among Gunners fans.

Wenger *(right)* found himself a target for criticism last season.

Success

But with silverware in the boardroom and four new signings already in the squad, the manager goes into the new season in a position of strength. And Arteta insists the FA Cup win – when Arsenal recovered after falling two behind – must be a launchpad to more success

He said: "It does feel like a long time ago, but it was a really nice feeling and a big relief.

"The fans deserved that day because they have been waiting for such a long time and the support they have been giving to the club has been tremendous.

"I was so happy we could produce a moment of happiness for them and on the following day when we were on the bus.

"I was so pleased to give them a little piece because this has to be the start. Arsenal has to be fighting for bigger trophies and have bigger aims. That has to be a consistent thing."

TARGET: Jackett is confident Wolves can go up

KENNY CLAIMS HALF OF BOSSES WILL GET SACK BEFORE XMAS!

Wolves v Norwich

Today, 4pm – Live on Sky Sports 1

WOLVES boss Kenny Jackett reckons half the managers in the Championship could be sacked by Christmas if they are not in the promotion mix.

Jackett's men romped to the League One title last season and he has urged his players to follow it up with back-to-back success and secure Wolves' return to the top flight.

Wolves face Norwich, who dropped out of the top tier, in their opening game at Molineux with Jackett all too aware of the growing pressure and expectation levels.

"For all managers and all clubs the bar is very high anyway," he said.

"Thirty to 50 per cent of managers will get sacked before Christmas. That shows you where the bar is.

"At the start of the season you should have ambition and determination to reach the top. At a club like this the potential is there to do it.

"Our target is to get promoted again, we are a club who have a very recent Premier League history.

GOOD SIGN: Surman

Commit

"There are three places available and we have got to go all out to get one of those if we can.

"At a club like Wolves it would make everyone believe if we had a good start – not just Sunday but in August and September."

Neil Adams has urged Andrew Surman to follow the lead of Ryan Bennett and Wes Hoolahan and commit his future to Norwich.

Bennett and Hoolahan have recently signed new deals with the Carrow Road club ahead of today's season-opener against Wolves.

And City boss Adams is keen midfielder Surman puts pen to paper as soon as possible and avoid the risk of him running down his current deal.

He said: "He knows I want him here. He is the type of player we need and he's featured heavily in the pre-season games.

"He is another one we would love to come on board for the long term.

"You don't want players who you feel are going to be a part of things running out of contract.

"Ryan has signed, Wes has signed and that is fantastic news for us. There will be others we are dealing with as well.

"Wes is a perfect example how things can turn.

"We all know what surrounded him in the last transfer window, but now he is happy enough to put pen to paper on a new deal."

FOOTBALL'S BACK! ALL THE ACTION

SPAIN PAIN FOR CLARK

Middlesbro	2
Birmingham	0

LEE CLARK launched a Spanish inquisition as his Blues were sunk by Boro's lethal Latin pair.

Strikes from Daniel Ayala and debutant Kike put the Teessiders in cruise control as they underlined their tag as promotion favourites.

Boro were a constant Spain in the arse for City, who had no answer to their pace and power as Ayala *(above)* headed Aitor Karanka's side ahead on 33 minutes.

Kike made it two just after the hour, marking his first game since a £2.8million move from Real Murcia with a predatory finish when Lee Tomlin's shot came back off defender Grant Hall.

Goalkeeper Darren Randolph's heroics saved Clark's ragged troops from being buried.

Boro ended the game with FOUR Spaniards on the pitch as they showed they'll be a force this season with their first opening-day win in six years.

Watford	3
Bolton	0

TROY DEENEY showed why he's so in demand after starring for Watford.

Deeney *(below)* has been the subject of Premier League interest and could leave before the transfer window closes.

But the £10million-rated striker was the main man as woeful Bolton were hammered.

After some early pressure, he lifted the ball home following Gabriele Angella's 16th-minute pass.

And it got worse for the Trotters when Matej Vydra turned Tim Ream and fired home seven minutes later.

It was one-way traffic as Deeney came close before the break and Juan Carlos Paredes hit the crossbar after the restart.

Bolton finally troubled Hornets goalkeeper Heurelho Gomes as he kept out Liam Feeney and Chung Yong-Lee in quick succession.

But Watford sub Fernando Forestieri wrapped up the win by showing a cool head in the 80th minute.

THE BOURNE SUPREMACY

Huddersfield	0
Bournemouth	4

BRILLIANT Bournemouth took just 26 seconds to set up a revenge mission as Callum Wilson *(above)* gave Huddersfield a nightmare start to the season.

The Cherries were thumped 5-1 by the Terriers last August, but buried that memory with a stunning victory set by up Marc Pugh's rapid strike.

Ex-Coventry striker Wilson then took over with two goals on his debut, before being denied a hat-trick by Alex Smithies' penalty save. Pugh slotted past Smithies before Huddersfield had woken up.

Wilson out-muscled Joel Lynch then raced through to steer home the second after 32 minutes.

Five minutes into the second half Yann Kermorgant followed up Pugh's header to side-foot in the third.

Wilson then poked home Matt Ritchie's cross before fluffing his hat-trick chance.

Brentford	1
Charlton	1

SUPER-SUB Tommy Smith salvaged a point for the Bees on their long-awaited return to the second tier.

Smith *(below)* struck in the 85th minute when his drive deflected in off Tal Ben Haim.

Charlton had gone ahead in the 64th minute as Igor Vetekele was allowed to head in Johnnie Jackson's corner from close range.

This was shortly after both keepers had produced fine saves from headers to deny George Tucudean and Andre Gray.

The visitors should have sealed the result when Brentford keeper David Button charged out of his goal to challenge Callum Harriot, leaving the Addicks striker with an open goal.

But Harriot could only fire against the crossbar from the edge of the area.

And the Bees had a sting in their tail.

Alan McCormack's cross fell kindly to Smith in the area, who crashed the ball home via Ben Haim.

HEAD BOYS: Mark Beevers celebrates his opener with team-mate Scott Malone

Forest in a Psycho thriller

N Forest	2
Blackpool	0

STUART PEARCE was treated to the warmest of welcomes – by both Nottingham Forest fans AND Blackpool.

Psycho was back at his former club as a manager and given the loudest of ovations on his return.

And he had the simplest of afternoons as he watched his side tear apart a team that had just 13 professionals.

A cock-up by Blackpool's admin team deprived them of Ishmael Miller, while Joan Oriol and Jose Miguel Cubero still had not received clearance. First-half goals from Michail Antonio and Chris Burke ensured Pearce's party was never in danger.

But he was still fuming at his physio team for not putting water bottles out on the pitch – seconds after Antonio's opener.

Blackpool could have taken a shock lead as Nathan Delfouneso headed wide from John Lundstram's free-kick. But it was Forest who took a 25th-minute when Andy Reid's long-ranger hit the post and Antonio fired in the lose ball.

Five minutes later and Burke got in on the act with a brilliant curling effort.

Blackpool improved after the break but it should have been more for the hosts.

Assombalonga's cross hit Donervon Daniels on the hand but no penalty was given.

New boss Hock gets a real shock!

LIONS GIVE DAVE A DEBUT MAULING

DAVE HOCKADAY was given a painful crash course in life in the Championship.

The Leeds boss was desperate to make an immediate impression after his shock appointment by owner Massimo Cellino.

But the former Forest Green Rovers chief was handed a harsh lesson when Mark Beevers and a late Shaun Williams penalty gave Millwall their first opening-day win in four years.

Beevers struck early and Williams wrapped up the win for Ian Holloway's side two minutes from time after Lee Gregory was fouled by Lewis Cook.

Holloway has overhauled his squad after last season's relegation near miss.

The boss said he never wanted to experience a final-day scare again.

And the upbeat mood even prompted keeper David Forde to claim the Lions could be promotion dark horses. Holloway had handed a debut to striker Ricardo Fuller, while Carlos Edwards slotted in at right back – and four new singings took their places on the bench.

The new-look south Londonders wasted no time settling into their stride. While Hockaday was handed a baptism of fire, Fuller was causing all kinds of problems for the Whites.

Flashed

And the Lions' pressure eventually told when Beevers swept in a corner unmarked from eight yards after only 10 minutes.

The centre-back could have added a second when he rose above the static Leeds defence but his header flashed just wide.

Hockaday was left frustrated by his side's tame attacking efforts.

Leeds failed to have a shot on target until Luke Murphy sliced wide on 42 minutes when put through on goal by Noel Hunt.

And their support made their feelings known when they booed the visitors off.

Noel Hunt almost dragged Leeds back into it immediately after the restart, but his effort was cleared off the line.

But it was Millwall who continued to threaten with Jimmy Abdou and Fuller both firing wide when they should have done better.

The Lions were convinced they should have had a spot-kick when Martyn Woolford was upended.

Striker Matt Smith came on for Leeds and added more danger to their cause, but it was Millwall who attacked when Scott Malone on the left found Lee Martin, but his drive was blocked.

DARYL DO NICELY FOR McCARTHY

Ipswich	2
Fulham	1

DARYL MURPHY led the way as the Tractor Boys showed why they fancy a crack at promotion.

Irish striker Murphy banged one in and set up David McGoldrick for Town's second as Felix Magath's Fulham quickly found out how hard bouncing straight back into the top flight will be.

Eight players made their debuts for a Fulham side which bore no resemblance whatsoever to the that started in the Premier League a year ago.

Mick McCarthy's Ipswich had a more familiar look with Hungarian striker Balint Bajner signing as a free agent after being released by Borussia Dortmund the only new face.

Bajner brought out a fingertip save from Finland keeper Jesse Joronen after connecting with a Tyrone Mings cross as the Cottagers struggled to adjust to life in the second tier.

Town went ahead in the 32nd minute when Fulham dithered in the centre circle.

Belting

Luke Hyam stole possession and stormed forward before finding Murphy on the right – and Town's top scorer last season eased past Shaun Hutchinson before belting home.

Murphy played a huge part in Town's second half-an-hour later when his low cross was only partially cleared and the ball fell for sub McGoldrick to lash in from 14 yards.

The Cottagers set up an interesting final few minutes when Tommy Smith deflected a Tim Koogland shot past Dean Gerken, but Ipswich held firm.

Brighton	0
Sheff Wed	1

SAMI HYYPIA suffered a nightmare return to English football as a Giles Coke screamer killed 10-man Brighton.

Coke struck a left-foot pile-driver three minutes before the break to take the fizz out of the Seagulls' opening day.

And any hopes of working their way back into the game disappeared in the 50th minute when Andrew Crofts was sent off for a lunge on Sam Hutchinson.

That ensured former Liverpool defender Hyypia suffered defeat in his first game in charge at the Amex Stadium – and served as a reminder he has plenty to do before the transfer window shuts.

Wednesday carried on where they left off during the final weeks of last season and held on for a comfortable three points.

Derby	1
Rotherham	0

JEFF HENDRICK got Derby's campaign off to a flyer when he finally broke stubborn Rotherham.

The Rams are still smarting from their play-off final defeat to QPR last season and they looked to be heading for a draw against the Millers.

But Irish midfielder Hendrick bent in a beauty in the closing stages to get the Pride Park outfit up and running.

They had threatened to run riot with an early onslaught, but the breakthrough didn't arrive until eight minutes from time when Cyrus Christie drove down the right and pulled back for Hendrick *(left)* to find the top corner.

McARTHUR LEAVES IT LATE

Wigan	2
Reading	2

JAMES McARTHUR'S injury-time equaliser rescued a point for Wigan in a ding-dong opener against Reading.

The Royals had fought back from a goal down to lead 2-1 heading into added time, but the Scot was on hand to head home and give the Latics a share of the points.

Wigan had controlled the majority of the first half and took a deserved lead through tricky winger Callum McManaman, who coolly clipped the ball over Reading keeper Adam Federici.

The Royals got themselves on level terms in the 71st minute when Michael Hector touched the ball back for Shaun Cummings on the edge of the box and he fired a crisp low shot past Scott Carson.

Nigel Adkins' men always looked the more likely to score again as Wigan retreated into their shells – and six minutes later it duly arrived.

Danny Guthrie chipped the ball into the box and Alex Pearce headed back across goal for Sean Morrison, who nodded past Carson.

But, despite looking dead and buried, Wigan nicked a point when McArthur *(left)* headed in at the death for Uwe Rosler's side.

Chisora and Fury ready to get it on

TYSON FURY'S grudge match with Dereck Chisora will happen before the end of the year.

The pair announced they will meet at London's ExCel Arena on November 22 after Chisora pulled out of their original world title eliminator when he fractured his hand in training.

Unbeaten Fury, 25, said: "Chisora is going to get a beating twice as bad as the one that he was going to get for pulling out."

And promoter Frank Warren thinks we're in for some fireworks, saying: "I believe we could see a genuine old fashioned ring war."

Agent reveals Arsenal and Liverpool are chasing strike ace Cavani

HE'S EDING TO THE PREM!

By GRAHAM CHASE

ARSENAL and Liverpool are in a straight fight to sign Edinson Cavani, the player's agent has revealed.

Liverpool have made the Uruguay front-man their No.1 target to replace Luis Suarez after being snubbed by Radamel Falcao.

But Arsene Wenger's Gunners are also in the hunt for the Paris St Germain striker, having already beaten the Anfield outfit to Alexis Sanchez earlier this summer.

Cavani's agent, Claudio Anelluci, admitted: "There has been much interest in the player during the last six months.

"I can confirm that Cavani has heard proposals from Liverpool and Arsenal.

"He has already said that he would love to play in England, but he hasn't yet made a final decision.

"He is not interested in money and fame. He just wants to be happy playing football."
